INTRODUCTION

Effective January 1, 2014, and restated March 1, 2018, Collier County Government, hereinafter referred to as the "County" or "Employer", restates the benefits, rights and privileges which will pertain to participating Employees, referred to as "Participants," qualifying Retirees and the eligible Dependents of such Participants or Retirees, as defined, and which benefits are provided through a fund established by the County and referred to as the "Plan." This booklet describes the Plan in effect as of March 1, 2018.

Coverage provided under this Plan for Employees and their Dependents will be in accordance with the Eligibility, Effective Date, Qualified Medical Child Support Order, Termination, Family and Medical Leave Act and other applicable provisions as stated in this Plan.

Collier County Government (the Plan Sponsor) has retained the services of an independent Plan Supervisor, experienced in claims processing, to handle health claims. The Plan Supervisor for the Plan is:

Allegiance Benefit Plan Management, Inc.
P.O. Box 3018
Missoula, MT 59806-3018

Please read this booklet carefully before incurring any medical expenses. For specific questions regarding coverage or benefits, please refer to the Plan Document, which is available for in the Personnel Office or at the office of the Plan Supervisor, or call or write to Allegiance Benefit Plan Management, Inc. regarding any detailed questions concerning the Plan.

This Plan is not intended to, and cannot be used as workers compensation coverage for any Employee or any covered Dependent of an Employee. Therefore, this Plan generally excludes claims related to any activity engaged in for wage or profit including, but not limited to, farming, ranching, part-time and seasonal activities. See Plan Exclusions for specific information.

The information contained in this Plan Document/Summary Plan Description is only a general statement regarding FMLA, COBRA, USERRA, and QMCSO's. It is not intended to be and should not be relied upon as complete legal information about those subjects. Covered Persons and Employers should consult their own legal counsel regarding these matters.

HEALTH PLAN QUALIFIERS

Employees and Dependents are eligible for coverage under this Plan, subject to the eligibility criteria of the Plan.

Certain covered Employees (Participants) and their covered spouses may qualify for cost sharing reduction rewards under this Plan. Those rewards are based upon the Health Plan Qualifiers described below. The rewards may be different for a Participant than for the Participant's spouse subject to the results of the Health Plan Qualifiers. There are two levels of rewards, Select Rewards and Premium Rewards. The Health Plan Qualifiers for each level of rewards are stated below. There are also required Qualifying Periods to earn those rewards as stated below. Qualifying Periods for Retirees and COBRA Participants will be the same as they were prior to retirement or continuing coverage under COBRA. Plan Qualifiers are specific actions to be completed by an Employee or Retiree and their spouse to determine under which reward level they may qualify for the next Benefit Period.

QUALIFYING PERIODS

1. For spouses a Qualifying Period will be October 1 ending September 30 of every odd year.
2. For Employees a Qualifying Period will be October 1 ending September 30 of every even year.

QUALIFYING GUIDELINES

The following are qualifying guidelines:

1. Paperwork is due to the on-site contracted Health Advocate's office by September 30 (no exceptions);
2. Tobacco Users must enroll in the Smoking Cessation Program by the date designated by the Director of Risk Management and complete the qualifying criteria by September 30;
3. Risk Factors criteria must be completed by September 30.

PLAN QUALIFIERS

The following are Plan Qualifiers that are applicable to both the **Premium and Select Reward Levels** (Plan Qualifiers were determined using Evidence Based Medical Guidelines and may be adjusted annually):

1. **Lab work** -Lab must be drawn by the contracted Lab vendor. The vendor may offer services at patient service centers or at various work sites when scheduled. Calendars will be posted at all work sites. All qualifying lab draws must be completed by the date designated by the Director of Risk Management.

Eligible Employees/Spouses/Retirees/COBRA need to make an appointment with the contracted lab through the Advocate website at www.chpha.com.

2. **Meet with On-site Health Advocate** - Schedule your appointment with the Health Advocate through www.chpha.com to review the results of your lab draw, and qualifier requirements. The deadline for meetings with the Advocates will be designated by the Director of Risk Management.

Eligible Retirees/COBRA who do not reside in Collier County will contact the Advocates by phone.

The following are additional Plan Qualifiers for the **Premium Reward Level**:

1. **Age/Gender Screening - (For ages 20, 25, 30, 35, 40, 43, 46, 50 and over)** - Screenings including; pap smear, mammogram, skin screening, testicular exam and colonoscopy, must be completed at the MedCenter, the MedCenter North or by your Primary Care Physician. A copy of the qualifying lab results should be given to the Physician at the appointment.

2. **Tobacco Cessation Program** - This Program is only administered through The MedCenter or The MedCenter North. A certificate of completion will be issued after a follow-up lab test has been completed at either of the MedCenters. The certificate of completion will be provided by the Health Advocate upon completion of the Program.

Covered Persons who do not reside in Collier County will work with the Health Advocate who will monitor the tobacco cessation program they are engaged in. A certificate of completion must be provided to the on-site contracted Health Advocate by September 30.

There are no Plan Qualifiers to participate in the Basic Reward Level. Participants, Retirees and their spouses automatically qualify for the Basic Reward Level if qualifying requirements for the Select or Premium Reward Levels are not completed by September 30.

NEW HIRES AND NEW SPOUSES

All newly hired Employees, newly eligible Employees and newly covered spouses will be enrolled in the Select Reward Level and will be required to complete Plan Qualifiers by September 30 or will remain in the Select Reward Level and will have until September 30 of the following Benefit Period to complete Plan Qualifiers. Employees whose effective date of coverage is on or after October 1 will remain in the Select Reward Level and will have until September 30 of the following Benefit Period to complete Plan Qualifiers.

EMPLOYEES WHO BECOME TOTALLY DISABLED DURING THE QUALIFYING PERIOD

Employees who become Totally Disabled for six (6) months or more during the Qualifying Period and are unable to complete the Plan Qualifiers, will remain in the Reward Level they are currently in until such time Plan Qualifiers can be completed. Verification of the disability should be submitted to the Health Advocates Office.

“Total Disability” or “Totally Disabled” means that a person is prevented from performing the principal functions of the person’s occupation, and as a result, the person has a loss of 20% or more of their pre-disability weekly earnings due to an Accidental Injury, Illness, Mental Illness, Substance Abuse or Pregnancy.

EMPLOYEES WHO LEAVE AND RETURN TO EMPLOYMENT WITHIN THE CURRENT BENEFIT PERIOD

Employees who leave employment and return within the current Benefit Period will be enrolled in the Reward Level they were in as of the date of termination. If the Employee returns after the current Benefit Period, the Employee will be placed in the Select Reward Level.

IN-NETWORK BENEFIT

This Plan provides benefits through a group of contracted providers (In-Network Providers). An In-Network Provider means using a provider who is part of the group of contracted providers. Using In-Network providers offers cost-savings advantages because a Covered Person pays only a percentage of the scheduled fee for services provided.

Out-of-Network Provider means a provider who is not an In-Network Provider. A Covered Person who uses an Out-of-Network Provider will pay more and his or her share of the cost may not apply to the Out-of-Pocket Maximum.

To determine if a Physician or Licensed Health Care Provider qualifies as an eligible In-Network Provider under this Plan, please consult Allegiance's website at www.askallegiance.com/ccg to access links for directories of participating providers.

The following benefit provisions apply when a covered service is rendered by a Out-of-Network provider:

1. Charges for an Emergency as defined by this Plan, limited to only those emergency medical procedures necessary to treat and stabilize an eligible Injury or Illness and then only to the extent that the same are necessary in order for the Covered Person to be transported, at the earliest medically appropriate time to an In-Network Hospital, clinic or other facility, or discharged will be paid at the In-Network level of benefits.
2. Charges which are incurred as a result of and related to confinement in or use of an In-Network Hospital, clinic or other facility only for Out-of-Network services and providers over whom or which the Covered Person does not have any choice in or ability to select will be paid at the In-Network Provider level of benefits. **The Plan UCR limitations will not apply to this exception.**
3. If the provider rendering service is located in Collier County and is not part of the CHP Network but is part of the CIGNA Network, benefits will be paid at the Out-of-Network Provider level of benefits.
4. If the provider rendering service is located outside of Collier County and is not part of the CHP Network but is part of the CIGNA Network, benefits will be paid at the In-Network Provider level of benefits.

PHARMACY BENEFIT

Prescription drug charges are payable only through the Plan's Pharmacy Benefit Manager (PBM) program, which program is sponsored in conjunction with and is an integral part of this Plan. Coinsurance does not serve to satisfy the Medical Benefits Annual Deductible or Out-of-Pocket Maximum. Mandatory Generic - If there is a generic alternative for the prescription drug, and the Covered Person chooses a brand name instead, regardless of how the prescription is written, the Covered Person must pay the difference in cost between the generic and brand name medication plus the applicable brand Coinsurance amount.

Proton Pump Inhibitors (PPI's) Benefit - The "over-the-counter" form of Prilosec (Prilosec OTC) will be covered the same as if it were a generic prescription drug.

There is no coordination of benefits for Pharmacy Benefits.

SERVICE OPTIONS

The Program includes the following Service Options for obtaining prescriptions under the Pharmacy Benefit:

PBM Network Prescriptions: Available only through a retail pharmacy that is part of the PBM Network. The pharmacy will bill the Plan directly for that part of the prescription cost that exceeds the Coinsurance (Coinsurance amount must be paid to pharmacy at time of purchase). **The prescription identification card is required for this option.**

Member Submit Prescriptions: Available only if the prescription identification card cannot be used because a pharmacy is not part of the PBM Network, or the prescription identification card is not used at a PBM pharmacy. **Prescriptions must be paid for at the point of purchase and the prescription drug receipt must be submitted to the Pharmacy Benefit Manager (PBM), along with a reimbursement form (Direct Reimbursement).** The PBM will reimburse the contract cost of the prescription drug, less the applicable Coinsurance per Prescription. Contract cost is the PBM's discounted cost of the prescription drug. Reimbursement will not exceed what the PBM would have reimbursed for a Network Prescription.

Mail Order Prescriptions: Available only through a licensed pharmacy that is part of the PBM Network which fills prescriptions and delivers them to Covered Persons through the United States Postal Service, United Parcel Service or other delivery service. **The pharmacy will bill the Plan directly for prescription costs that exceed the Coinsurance.**

Specialty Drug(s): These medications are generic or non-generic drugs classified by the Plan and listed by the PBM as Specialty Drugs and require special handling (e.g., most injectable drugs other than insulin). Specialty drugs must be obtained from a preferred specialty pharmacy. **Only the first prescription can be obtained at a network retail pharmacy. All subsequent refills must be obtained through a preferred specialty pharmacy. A list of specialty drugs and preferred specialty pharmacies may be obtained from the PBM or Plan Supervisor.**

DRUG OPTIONS

The drug options available are:

Generic: Those drugs and supplies listed in the most current edition of the Physicians Desk Reference or by the PBM Program as generic drugs.

Preferred Brand: Non-generic drugs and supplies listed as "Preferred Brand" by the PBM Program as stated in a written list provided to Covered Persons and updated from time to time.

Non-Preferred Brand: Copyrighted or patented brand name drugs (Non-Generic) which are not recognized or listed as Preferred Brand drugs or supplies by the PBM Program.

COINSURANCE

"Coinsurance" means a dollar amount fixed percentage per prescription payable to the pharmacy at the time of service. Coinsurance amounts are specifically stated in this section. Coinsurance is not payable by the Plan and does not serve to satisfy the Medical Benefits Annual Deductible or Out-of-Pocket Maximum. However, Pharmacy Coinsurance does apply toward the applicable Pharmacy Benefit Out-of-Pocket Maximum.

SUPPLY LIMITS

Supply is limited to ninety (90) days for PBM Network, Member Submit Prescriptions and Mail Order Prescriptions.

Prescription drug refills are not allowed until 75% of the prescribed day supply is used.

The amount of certain medications are limited to promote safe, clinically appropriate drug usage. Any additional prescribed supply exceeding any clinically appropriate limits will be reviewed for Medical Necessity. A current list of applicable quantity limits can be obtained by contacting the PBM at the number listed on the identification card.

STEP THERAPY PROGRAM

Step Therapy is a program especially for people who take prescription drugs regularly for ongoing conditions like arthritis and high blood pressure. ***It helps the Covered Person get an effective medication to treat the condition while keeping costs as low as possible.***

In Step Therapy, drugs are grouped in categories based on cost:

1. **Front-line drugs** - Step 1 drugs are generic drugs proven to be safe, effective and affordable. These drugs should be tried first because they can provide the same health benefit as more expensive drugs, at a lower cost.
2. **Back-up drugs** - Step 2 and Step 3 drugs are brand-name drugs like those that are advertised on TV. There are lower-cost brand drugs (Step 2) and higher-cost brand drugs (Step 3). Back-up drugs typically cost more than front-line drugs.

The next time a doctor prescribes a medication, ask if a generic medication listed below as a front-line drug is appropriate. It makes good sense to ask for these drugs first because, for most everyone, they work as well as brand-name drugs, and they almost always cost less. And, because these drugs have been on the market for a long time, they have a more established safety record than newer drugs.

If a front-line drug has been tried, or a doctor decides one of these drugs isn't appropriate, then the doctor can prescribe a back-up drug. Ask the doctor if one of the lower-cost brands (Step 2 drugs) is appropriate. Remember, a higher-cost brand-name drug at a higher coinsurance can always be obtained if the front-line or Step 2 back-up drugs aren't appropriate. The doctor can call (800) 417-8164 to request a prior authorization for the medication.

Step Therapy helps the Covered Person get the most out of the prescription drug benefit. For more information on the how Step Therapy works and the benefits it provides, watch this short video at: www.StepTherapyFacts.com.

PRIOR AUTHORIZATION

Certain drugs require approval before the drug can be dispensed. A current list of drugs that require prior authorization can be obtained by contacting the PBM at the number listed on the Participant's identification card.

Prescription drugs or supplies in the following categories are specifically excluded:

COPAYMENT

Copayments are stated in the Schedule of Medical Benefits according to the applicable Reward Levels as indicated in the Schedules of Benefits. A Copayment is the portion of the medical expense that is the responsibility of the Covered Person. A Copayment is applied for each occurrence of such covered medical service and is not applied toward satisfaction of the Deductible but will apply toward the Out-of-Pocket Maximum and after the Out-of-Pocket Maximum is satisfied, Copayments will no longer apply for the remainder of the Benefit Period.

MAXIMUM BENEFIT

The amount payable by the Plan will not exceed any Maximum Benefit or Maximum Lifetime Benefit as stated in the Schedule of Medical Benefits, for any reason.

MEDICAL EXPENSE AUDIT BONUS

The Plan offers an incentive to all Covered Persons to encourage examination and self-auditing of eligible medical bills to ensure the amounts billed by any provider accurately reflect the services and supplies received by the Covered Person. The Covered Person is asked to review all medical charges and verify that each itemized service has been received and that the bill does not represent either an overcharge or a charge for services never received. This self-auditing procedure is strictly voluntary; however, it is to the advantage of the Plan as well as the Covered Person to avoid unnecessary payment of health care costs.

In the event a self-audit results in elimination or reduction of benefits paid, 50% of the amount saved will be reimbursed directly to the Participant (subject to \$10 minimum payment and a \$500 maximum payment per Calendar Year), provided the savings are accurately documented, and satisfactory evidence is submitted to the Plan Supervisor (e.g. a copy of the incorrect bill and a copy of the corrected billing).

This self-audit credit is in addition to the payment of all other applicable Plan benefits for legitimate medical expenses.

This credit will not be payable for expenses in excess of the Usual, Customary and Reasonable charges which are not covered under the Plan, regardless of whether benefits paid are reduced.

NOTIFICATION PROVISIONS
Community Health Partners
(239) 659-7770 or (888)-594-9008

To ensure the most appropriate care is provided, and to control the costs of this Plan, the Plan contains a notification provision. The notification provision requires that a Covered Person call Community Health Partners (CHP) **at least twenty-four (24) hours before:**

1. All elective (non-urgent, pre-arranged, non-emergency) Inpatient admissions in a Hospital, Hospice, Skilled Nursing, Rehabilitation or Chemical Dependency/Mental Illness Treatment Facilities. If an Emergency admission or procedure, CHP must be notified within forty-eight (48) hours following the admission or procedure.
2. Any of the following that are done on an Outpatient basis: CAT Scans, MRI, MRA, CT Guided procedures.
3. All transplants, including initial consultation, evaluation, and actual transplant.
4. Rental or purchase of Durable Medical Equipment (DME) with cost anticipated in excess of \$500.00.
5. When an Observation Stay is greater than twenty-four (24) hours (greater than one midnight) or converts to an Inpatient admission.

“Observation Stay” is an alternative to an Inpatient admission that allows reasonable and necessary time to evaluate and render Medically Necessary services to a patient whose diagnosis and treatment are not expected to exceed twenty-four (24) hours but may extend to forty-eight (48) hours, and the need for an Inpatient admission can be determined within this specific period. An Inpatient admission is generally appropriate when the patient is expected to need two (2) or more midnights of Medically Necessary Hospital care.

6. Home Health care in excess of five (5) visits for skilled nursing visits, home Physical, Occupational and Speech Therapy.

Pre-notification is not required for virtual colonoscopies or if any one of these procedures is performed in the emergency room.

For a non-emergency hospitalization, CHP will evaluate the proposed admission plan and length of stay. CHP will certify the number of days appropriate. In making these determinations, the diagnosis, physical status and any other complicating conditions of the patient will be taken into account. CHP will review any x-ray and laboratory results and confer with the attending Physician if necessary. The decision to be admitted will always rest with the patient and the Physician. The notification process will let the patient know, before expenses are incurred, whether or not the admission would be certified. Benefits will only be available for the number of days that have been certified. If the confinement will last longer than the number of days certified, CHP must be notified. At this point, CHP will conduct a Continued Stay Review. The Continued Stay Review will be conducted in much the same way as the initial notification. The case will be reviewed with the attending Physician to determine any additional Inpatient days. Benefits will not be available for any days beyond those certified.

If a Covered Person is admitted to the Hospital or other facility or receives one of the listed Outpatient procedures on an Emergency basis, the Covered Person must call CHP **within forty-eight (48) hours following** the admission, test, or procedure. If Emergency admission occurs on a weekend or holiday, notification can be extended to the first business day following the Emergency admission.

Notification can come from the Covered Person, the Hospital, or the Physician. **However, the Covered Person is ultimately responsible for the notification.** It is strongly recommended, therefore, that the Covered Person makes the call.

Notification requires only a brief phone call to CHP at (239) 659-7770 or toll free at (888) 594-9008. If the call is made after hours, the following information must be left on CHP's confidential voice mail:

1. Employee's name.
2. Employee ID number.
3. Patient's name and relationship to the Employee.
4. The name of the Hospital where the procedure will take place (if applicable).
5. The procedure to be performed.
6. The name and telephone number of the Physician.

It is vital the call occurs within the time frames list above. **If notification is not made, Eligible Expenses will be reduced by \$300 per procedure or confinement except for Urgent Care claims as stated in the Procedures for Claiming Benefits section.**

If notification is not provided within the times outlined, CHP will review the claim to determine whether the admission, test, or procedure was Medically Necessary. Irrespective of the eventual determination by CHP, the penalty will still be applied and cannot be rescinded.

Hospital stays in connection with childbirth for either the mother or Newborn may not be less than forty-eight (48) hours following a vaginal delivery or ninety-six (96) hours following a cesarean section. These requirements can only be waived by the attending Physician in consultation with the mother. The Covered Person or provider is not required to notify CHP of the maternity admission, unless the stay extends past the applicable forty-eight (48) or ninety-six (96) hour stay. A Hospital stay begins at the time of delivery or for deliveries outside the Hospital, the time the Newborn or mother is admitted to a Hospital following birth, in connection with childbirth.

If the patient is unconscious, in a coma or unable to contact CHP due to Illness or Injury rendering the patient physically or mentally incapable, the notification requirement will be waived until the patient is able to contact CHP. Certification will be retroactive to the date of admission.

ONCOLOGY PRE-TREATMENT REVIEW

For oncology claims only, Pre-treatment Review is strongly recommended. To obtain Pre-Treatment Review for oncology claims, please follow the procedure outlined below.

1. ONCOLOGY MEDICAL MANAGEMENT PROGRAM: CARE INTEGRATION

In order to initiate oncology management services, the Covered Person's oncologist should contact the Plan Supervisor at (800) 877-1122 to verify Plan benefits. At that time, the oncologist will be asked to contact StarPoint at (877) 791-7827 and to provide a copy of the treatment plan that oncologist has prescribed for the Covered Person (including chemotherapy and radiation provided in any setting). StarPoint will remain in contact with the Covered Person and the oncologist for the duration of the treatment plan through recovery and transitional care. Please call (877) 791-7827 for questions regarding cancer care, side effects and other quality of life issues.

In order to receive benefit payments under the Plan, the oncologist's oncology plan of treatment must be received by StarPoint, and deemed not to be Experimental and/or Investigational as described below. The Plan may not pay for or otherwise cover the cost of oncology related treatment considered Experimental and/or Investigational as defined by the Plan.

Unless the oncologist has entered into an agreement with StarPoint to accept other reimbursement rates, the payment for all drugs used in the treatment of cancer will be limited to the rate of Average Sales Price plus 10%. Average Sales Price is updated quarterly by Medicare.

2. EXPERIMENTAL AND/OR INVESTIGATIONAL

The Plan may not pay for or otherwise cover the cost of oncology related treatment considered Experimental and/or Investigational. For purposes of oncology drugs only, Experimental and or Investigational is defined as:

In the context of drugs used in the treatment of cancer, the use of a drug will not be considered Experimental and/or Investigational where (1) the use of the drug has been recognized as safe and effective for the treatment of the specific type of cancer in the National Comprehensive Cancer Network's Drugs Compendium, Thomson Micromedex DRUGDEX, Thomson Micromedex DrugPoints or clinical Pharmacology or (2) the drug is provided in association with a Phase III or IV trial for cancer, as approved by the FDA or sanctioned by the National Cancer Institute ("NCI") or (3) the drug is provided in association with a Phase II trial for cancer by an NCI-sponsored group and standard treatment has been or would be ineffective or does not exist or there is no clearly superior non-investigational alternative that can be delivered more cost efficiently as determined by the Plan Administrator.

MANDATORY CASE MANAGEMENT

Community Health Partners (CHP) will monitor a Covered Person's emerging risk, a condition or diagnosis that may be potentially significant by utilizing several different methods such as Verisk Medical Intelligence, Notification request, Pharmacy and TPA reports.

When a Covered Person has been identified with emerging risk they will be encouraged to enroll in case management and actively participate in their care plan. Active participation is described as, communicating with their case manager on a weekly basis until less intensity is needed determined by the case Manager or the Covered Person is disenrolled from program. Communication may be in the form of letters, phone calls, face to face meetings or encrypted emails. If a Covered Person cancels an appointment with the case manager, it is the Covered Person's responsibility to reschedule with 48 business hours. If a Covered Person refuses to participate and their level of medical and pharmacy spend combined exceeds \$100,000 in a six (6) month period, they will receive a monetary benefit adjustment for failure to participate.

First Contact: Covered Persons will be contacted by a case manager as soon as a trend is identified to enroll the Covered Person into case management. Initially a letter will be sent from Community Health Partners advising the Covered Person they have been identified to participate in case management and will be contacted within one week. The letter will provide the case manager's contact information and ask the Covered Person to be pro-active and reach out to the case manager and communicate the best time to schedule a call with the Covered Person.

Second Contact: If no-response, the case manager will confirm with the Human Resource Department that they have the most current contact information. A second call will be place within 48 business hours.

Third Contact: Third call will be place to the Covered Person within another 48 business hour cycle. This call will be placed after normal business hours between 5 and 7pm.

Fourth contact: Certified letter requiring a signature will be sent to the Covered Person's current home address. This letter will outline the attempts made to contact the Covered Person as well as the potential benefit adjustment due to failure to participate.

While participation in case management is voluntary, declining to participate or declining to continue to participate in case management services when requested by the Plan will result in an additional Copayment of \$1,000 for non-participation of the condition for which case management was declined. The additional Copayment imposed by this provision will not accrue towards the Out-of-Pocket Maximum or change after satisfaction of the annual Out-of-Pocket Maximum.

COORDINATION OF BENEFITS

The Coordination of Benefits provision prevents the payment of benefits which exceed the Allowable Expense. It applies when the Participant or Dependent who is covered by this Plan is or may also be covered by any other plan(s). This Plan will always pay either its benefits in full or a reduced amount which, when added to the benefits payable by the other plan(s), will not exceed 100% of Allowable Expense. Only the amount paid by this Plan will be charged against the Plan maximums.

In the event of a motor vehicle or premises accident; or an act of violence with the intent to disrupt electronic, communications, or any other business system, this Plan will be secondary to any auto "no fault" and traditional auto "fault" type contracts, homeowners, commercial general liability insurance and any other medical benefits coverage.

The Coordination of Benefits provision applies whether or not a claim is filed under the other plan or plans. If needed, authorization is hereby given this Plan to obtain information as to benefits or services available from the other plan or plans, or to recover overpayments.

All benefits contained in the Plan Document are subject to this provision.

DEFINITIONS

"Allowable Expense" as used herein means:

1. If the claim as applied to the primary Plan is subject to a contracted or negotiated rate, Allowable Expense will be equal to that contracted or negotiated amount.
2. If the claim as applied to the primary Plan is not subject to a contracted or negotiated rate, but the claim as applied to the secondary Plan is subject to a contracted or negotiated rate, the Allowable Expense will be equal to that contracted or negotiated amount of the secondary Plan.
3. If the claim as applied to the primary Plan and the secondary Plan is not subject to a contracted or negotiated rate, then the Allowable Expense will be equal to the secondary Plan's chosen limits for non-contracted providers.

"Plan" as used herein means any Plan providing benefits or services for or by reason of medical, dental or vision treatment, and such benefits or services are provided by:

1. Group insurance or any other arrangement for coverage for Covered Persons in a group whether on an insured or uninsured basis including, but not limited to:
 - A. Hospital indemnity benefits; and
 - B. Hospital reimbursement-type plans which permit the Covered Person to elect indemnity at the time of claims; or
2. Hospital or medical service organizations on a group basis, group practice and other group pre-payment plans; or
3. Hospital or medical service organizations on an individual basis having a provision similar in effect to this provision; or
4. A licensed Health Maintenance Organization (HMO); or
5. Any coverage for students which is sponsored by, or provided through a school or other educational institution; or

6. Any coverage under a Governmental program, and any coverage required or provided by any statute; or
7. Automobile insurance; or
8. Individual automobile insurance coverage on an automobile leased or owned by the Company or any responsible third-party tortfeasor; or
9. Individual automobile insurance coverage based upon the principles of "No-Fault" coverage; or
10. Homeowner or premise liability insurance, individual or commercial.

"Plan" will be construed separately with respect to each policy, contract, or other arrangement for benefits or services, and separately with respect to that portion of any such policy, contract, or other arrangement which reserves the right to take the benefits or services of other Plans into consideration in determining its benefits and that portion which does not.

ORDER OF BENEFIT DETERMINATION

1. **Non-Dependent/Dependent**

The Plan that covers the person as other than a dependent, (e.g., as an employee, member, subscriber, retiree) is primary and the Plan that covers the person as a dependent is secondary.

2. **Child Covered Under More Than One Plan**

- A. The primary Plan is the Plan of the parent whose birthday is earlier in the year if:
 - 1) The parents are married;
 - 2) The parents are not separated (whether or not they have ever been married), or
 - 3) A court decree awards joint custody without specifying that one parent has the responsibility to provide health care coverage.
- B. If both parents have the same birthday, the Plan that has covered either of the parents longer is primary.
- C. If the specific terms of a court decree state that one of the parents is responsible for the child's health care expenses or health care coverage and the Plan of that parent has actual knowledge of those terms, that Plan is primary. If the parent with financial responsibility has no coverage for the child's health care services or expenses, but that parent's spouse does, the spouse's Plan is primary. This subparagraph will not apply with respect to any claim determination period, Benefit Period or Plan Year during which benefits are paid or provided before the entity has actual knowledge.
- D. If the parents are not married or are separated (whether or not they were ever married) or are divorced, and there is no court decree allocating responsibility for the child's health care services or expenses, the order of benefit determination among the Plans of the parents and the parents' spouses (if any) is:
 - 1) The Plan of the custodial parent.
 - 2) The Plan of the spouse of the custodial parent.
 - 3) The Plan of the non-custodial parent.
 - 4) The Plan of the spouse of the non-custodial parent.

3. **Active or Inactive Employee**

The Plan that covers a person as an employee who is neither laid-off nor retired (or as that employee's dependent) is primary. If the other Plan does not have this rule, and if, as a result, the Plans do not agree on the order of benefits, this rule will not be followed.

4. **Longer or Shorter Length of Coverage**

If the preceding rules do not determine the order of benefits, the Plan that has covered the person for the longer period of time is primary.

- A. To determine the length of time a person has been covered under a Plan, two Plans will be treated as one if the Covered Person was eligible under the second within 24 hours after the first ended.
- B. The start of a new Plan does not include:
 - 1) A change in the amount or scope of a Plan's benefits;
 - 2) A change in the entity that pays, provides, or administers the Plan's benefits; or
 - 3) A change from one type of Plan to another (such as from a single employer plan to that of a multiple-employer plan).
- C. A person's length of time covered under a Plan is measured from the person's first date of coverage under that Plan. If that date is not readily available for a group Plan, the date the person first became a member of the group will be used as the date from which to determine the length of time the person's coverage under the present Plan has been in force.

5. **No Rules Apply**

If none of these preceding rules determines the primary Plan, the Allowable Expense will be determined equally between the Plans.

COORDINATION WITH MEDICARE

Medicare Part A or Part B will be considered a Plan for the purposes of coordination of benefits. This Plan will coordinate benefits with Medicare whether or not the Covered Person is actually receiving Medicare Benefits. This means that the Plan will only pay the amount that Medicare would not have covered, even if the Covered Person does not elect to be covered under Medicare. Also, failure to enroll in Medicare Part B or Part D when a person is initially eligible may result in the person being assessed a significant surcharge by Medicare for late enrollment in Part B or Part D.

1. **For Working Aged**

A covered Employee who is eligible for Medicare Part A or Part B as a result of age may be covered under this Plan and be covered under Medicare, in which case this Plan will pay primary. A covered Employee, eligible for Medicare Part A or Part B as a result of age, may elect not to be covered under this Plan. If such election is made, coverage under this Plan will terminate.

A covered Dependent, eligible for Medicare Part A or Part B as a result of age, of a covered Employee may also be covered under this Plan and be covered under Medicare, in which case the Plan again will pay primary. A covered Dependent, eligible for Medicare Part A or Part B as a result of age, may elect not to be covered under this Plan. If such election is made, coverage under this Plan will terminate.

2. For Retired Persons

Medicare is primary and the Plan will be secondary for the covered Retiree if he/she is an individual who is enrolled in Medicare Part A or Part B as a result of age and retired.

Medicare is primary and the Plan will be secondary for the covered Retiree's Dependent who is enrolled in Medicare Part A or B if both the covered Retiree and his/her covered Dependent are enrolled in Medicare Part A or Part B as a result of age and retired.

Medicare is primary for the Retiree's Dependent when the Retiree is not enrolled for Medicare Part A or Part B as a result of age and the Retiree's Dependent is enrolled in Medicare Part A or Part B as a result of age.

3. For Covered Persons who are Disabled

The Plan is primary and Medicare will be secondary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability, if the Employee is actively employed by the Employer.

The Plan is secondary and Medicare will be primary for the covered Employee or any covered Dependent who is eligible for Medicare by reason of disability if the Employee is retired or otherwise not actively working for the Employer.

4. For Covered Persons with End Stage Renal Disease

Except as stated below*, for Employees or Retirees and their Dependents, if Medicare eligibility is due solely to End Stage Renal Disease (ESRD), this Plan will be primary only during the first thirty (30) months of Medicare coverage. Thereafter, this Plan will be secondary with respect to Medicare coverage, unless after the thirty-month period described above, the Covered Person has no dialysis for a period of twelve (12) consecutive months and:

- A. Then resumes dialysis, at which time the Plan will again become primary for a period of thirty (30) months; or
- B. The Covered Person undergoes a kidney transplant, at which time the Plan will again become primary for a period of thirty (30) months.

*If a Covered Person is covered by Medicare as a result of disability, and Medicare is primary for that reason on the date the Covered Person becomes eligible for Medicare as a result of End Stage Renal Disease, Medicare will continue to be primary and the Plan will be secondary.

COORDINATION WITH MEDICAID

If a Covered Person is also entitled to and covered by Medicaid, the Plan will always be primary and Medicaid will always be secondary coverage.

COORDINATION WITH TRICARE/CHAMPVA

If a Covered Person is also entitled to and covered under TRICARE/CHAMPVA, the Plan will always be primary and TRICARE/CHAMPVA will always be secondary coverage. TRICARE coverage will include programs established under its authority, known as TRICARE Standard, TRICARE Extra and TRICARE Prime.

If the Covered Person is eligible for Medicare and entitled to veterans benefits through the Department of Veterans Affairs (VA), the Plan will always be primary and the VA will always be secondary for non-service connected medical claims. For these claims, the Plan will make payment to the VA as though the Plan was making payment secondary to Medicare.

PROCEDURES FOR CLAIMING BENEFITS

Claims must be submitted to the Plan within twelve (12) months after the date services or treatments are received or completed. Non-electronic claims may be submitted on any approved claim form, available from the provider. The claim must be completed in full with all the requested information. A complete claim must include the following information:

- Date of service;
- Name of the Participant;
- Name and date of birth of the patient receiving the treatment or service and his/her relationship to the Participant;
- Diagnosis [code] of the condition being treated;
- Treatment or service [code] performed;
- Amount charged by the provider for the treatment or service; and
- Sufficient documentation, in the sole determination of the Plan Administrator, to support the Medical Necessity of the treatment or service being provided and sufficient to enable the Plan Supervisor to adjudicate the claim pursuant to the terms and conditions of the Plan.

When completed, the claim must be sent to the Plan Supervisor, Allegiance Benefit Plan Management, Inc., at P.O. Box 3018, Missoula, Montana 59806-3018, (855) 333-1004 or through any electronic claims submission system or clearinghouse to which Allegiance Benefit Plan Management, Inc. has access.

A claim will not, under any circumstances, be considered for payment of benefits if initially submitted to the Plan more than twelve (12) months from the date that services were incurred.

Upon termination of the Plan, final claims must be received within three (3) months of the date of termination, unless otherwise established by the Plan Administrator.

CLAIMS WILL NOT BE DEEMED SUBMITTED UNTIL RECEIVED BY THE PLAN SUPERVISOR.

The Plan will have the right, in its sole discretion and at its own expense, to require a claimant to undergo a medical examination, when and as often as may be reasonable, and to require the claimant to submit, or cause to be submitted, any and all medical and other relevant records it deems necessary to properly adjudicate the claim.

CLAIM DECISIONS ON CLAIMS AND ELIGIBILITY

Claims will be considered for payment according to the Plan's terms and conditions, industry-standard claims processing guidelines and administrative practices not inconsistent with the terms of the Plan. The Plan may, when appropriate or when required by law, consult with relevant health care professionals and access professional industry resources in making decisions about claims that involve specialized medical knowledge or judgment. Initial eligibility and claims decisions will be made within the time periods stated below. For purposes of this section, "Covered Person" will include the claimant and the claimant's Authorized Representative; "Covered Person" does not include a health care provider or other assignee, and said health care provider or assignee does not have an independent right to appeal an Adverse Benefit Determination simply by virtue of the assignment of benefits.

"Authorized Representative" means a representative authorized by the claimant to act on their behalf in pursuing a benefit claim or appeal of an Adverse Benefit Determination. The claimant must authorize the representative in writing, and this written authorization must be provided to the Plan. The Plan will recognize this Authorized Representative when the Plan receives the written authorization.

INFORMATION REGARDING URGENT CARE CLAIMS IS PROVIDED UNDER THE DISCLOSURE REQUIREMENTS OF APPLICABLE LAW; THE PLAN DOES NOT MAKE TREATMENT DECISIONS. ANY DECISION TO RECEIVE TREATMENT MUST BE MADE BETWEEN THE PATIENT AND HIS OR HER HEALTHCARE PROVIDER; HOWEVER, THE PLAN WILL ONLY PAY BENEFITS ACCORDING TO THE TERMS, CONDITIONS, LIMITATIONS AND EXCLUSIONS OF THIS PLAN.

1. **Urgent Care Claims** - An Urgent Care Claim is any claim for medical care or treatment with respect to which:
 - A. In the judgment of a prudent layperson possessing an average knowledge of health and medicine could seriously jeopardize the life or health of the claimant or the ability of the claimant to regain maximum function; or
 - B. In the opinion of a Physician with knowledge of the claimant's medical condition, would subject the claimant to severe pain that cannot be adequately managed without the care or treatment that is the subject of the claim.

There are no Urgent Care requirements under this Plan and therefore, there are no rights to appeal a pre-service Urgent Care claim denial.

2. **Pre-Service Claims** - Pre-Service Claims must be submitted to the Plan before the Covered Person receives medical treatment or service. A Pre-Service Claim is any claim for a medical benefit which the Plan terms condition the Covered Person's receipt of the benefit, in whole or in part, on approval of the benefit before obtaining treatment. Pre-Service Claims are procedures stated in the Plan Document which, the Plan recommends be utilized before a Covered Person obtains medical care.
3. **Post-Service Claims** - A Post-Service Claim is any claim for a medical benefit under the Plan with respect to which the terms of the Plan do not condition the Covered Person's receipt of the benefit, or any part thereof, on approval of the benefit prior to obtaining medical care, and for which medical treatment has been obtained prior to submission of the claim(s).

In most cases, initial claims decisions on Post-Service Claims will be made within thirty (30) days of the Plan's receipt of the claim. The Plan will provide timely notice of the initial determination once sufficient information is received to make an initial determination, but no later than thirty (30) days after receiving the claim.

4. **Concurrent Care Review** - For patients who face early termination or reduction of benefits for a course of treatment previously certified by the Plan, a decision by the Plan to reduce or terminate benefits for ongoing care is considered an Adverse Benefit Determination. (Note: Exhaustion of the Plan's benefit maximums is not an Adverse Benefit Determination.) The Plan will notify the Covered Person sufficiently in advance to allow an appeal for uninterrupted continuing care before the benefit is reduced or terminated. Any request to extend an Urgent Care course of treatment beyond the initially prescribed period of time must be decided within twenty-four (24) hours of the Plan's receipt of the request. The appeal for ongoing care or treatment must be made to the Plan at least twenty-four (24) hours prior to the expiration of the initially-prescribed period.

APPEALING AN UN-REIMBURSED PRE-SERVICE CLAIM

If a claim is denied in whole or in part, the Covered Person will receive written notification of the Adverse Benefit Determination. A claim denial will be provided by the Plan showing:

1. The reason the claim was denied;
2. Reference(s) to the specific Plan provision(s) or rule(s) upon which the decision was based which resulted in the Adverse Benefit Determination;
3. Any additional information needed to perfect the claim and why such information is needed; and
4. An explanation of the Covered Person's right to appeal the Adverse Benefit Determination for a full and fair review and the right to bring a civil action following an Adverse Benefit Determination on appeal.

If a Covered Person does not understand the reason for any Adverse Benefit Determination, he or she should contact the Plan Supervisor at the address or telephone number shown on the claim denial.

The Covered Person must appeal the Adverse Benefit Determination before the Covered Person may exercise his or her right to bring a civil action. This Plan provides two (2) levels of benefit determination review and the Covered Person must exercise both levels of review before bringing a civil action.

To initiate the first level of benefit review, the Covered Person must submit in writing an appeal or a request for review of the Adverse Benefit Determination to the Plan within one hundred eighty (180) days after the Adverse Benefit Determination. The Covered Person should include any additional information supporting the appeal or the information required by the Plan which was not initially provided and forward it to the Plan Supervisor within the 180-day time period. Failure to appeal the Adverse Benefit Determination within the 180-day time period will render the determination final. Any appeal received after the 180-day time period has expired will receive no further consideration.

Appeals or requests for review of Adverse Benefit Determinations for Pre-Service Claims must be submitted in writing to Community Health Partners, P.O. Box 9529, Naples, FL 34101. Supporting materials may be submitted via facsimile at (239) 659-7799.

Appeals or requests for review of Adverse Benefit Determinations for Post-Service Claims must be submitted to the Plan in writing to P.O. Box 1269, Missoula, MT 59806-1269. Supporting materials may be submitted via mail, electronic claims submission process, facsimile (fax) or electronic mail (e-mail).

1. First Level of Benefit Determination Review

The first level of benefit determination review is done by Community Health Partners (CHP). CHP will research the information initially received and determine if the initial determination was appropriate based on the terms and conditions of the Plan and other relevant information. Notice of the decision on the first level of review will be sent to the Covered Person within fifteen (15) days following the date CHP receives the request for reconsideration.

If, based on CHP's review, the initial Adverse Benefit Determination remains the same and the Covered Person does not agree with that benefit determination, the Covered Person must initiate the second level of benefit review. The Covered Person must request the second review in writing and send it to CHP, not later than sixty (60) days after receipt of CHP's decision from the first level of review. Failure to initiate the second level of benefit review within the 60-day time period will render the determination final.

2. Second Level of Benefit Determination Review

The Plan Administrator will review the claim in question along with the additional information submitted by the Covered Person. The Plan will conduct a full and fair review of the claim by the Plan Administrator who is neither the original decisionmaker nor the decisionmaker's subordinate. The Plan Administrator cannot give deference to the initial benefit determination. The Plan Administrator may, when appropriate or if required by law, consult with relevant health care professionals in making decisions about appeals that involve specialized medical judgment. Where the appeal involves issues of Medical Necessity or experimental treatment, the Plan Administrator will consult with a health care professional with appropriate training who was neither the medical professional consulted in the initial determination or his or her subordinate.

After a full and fair review of the Covered Person's appeal, the Plan will provide a written or electronic notice of the final benefit determination, which contains the same information as notices for the initial determination, within fifteen (15) days.

INDEPENDENT EXTERNAL REVIEW FOR A PRE-SERVICE CLAIM

After exhaustion of all appeal rights stated above, a Covered Person may also request a final independent external review of any Adverse Benefit Determination involving a question of Medical Necessity, or other issue requiring medical expertise for resolution.

To assert this right to independent external medical review, the Covered Person must request such review in writing within one hundred twenty (120) days after a decision is made upon the second level benefit determination above.

If an independent external review is requested for a Pre-Service Claim, CHP will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

If an independent external review is requested for a Post-Service Claim, the Plan Supervisor will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

The IRO will issue a final decision within forty-five (45) days after receipt of all necessary information.

The decision of the IRO will be final and binding except that the Covered Person shall have an additional right to appeal the matter to a court with jurisdiction.

APPEALING AN UN-REIMBURSED POST-SERVICE CLAIM

If a claim is denied in whole or in part, the Covered Person will receive written notification of the Adverse Benefit Determination. A claim Explanation of Benefits (EOB) will be provided by the Plan showing:

1. The reason the claim was denied;
2. Reference(s) to the specific Plan provision(s) or rule(s) upon which the decision was based which resulted in the Adverse Benefit Determination;
3. Any additional information needed to perfect the claim and why such information is needed; and
4. An explanation of the Covered Person's right to appeal the Adverse Benefit Determination for a full and fair review and the right to bring a civil action following an Adverse Benefit Determination on appeal.

If a Covered Person does not understand the reason for any Adverse Benefit Determination, he or she should contact the Plan Supervisor at the address or telephone number shown on the EOB form.

The Covered Person must appeal the Adverse Benefit Determination before the Covered Person may exercise his or her right to bring a civil action. This Plan provides two (2) levels of benefit determination review and the Covered Person must exercise both levels of review before bringing a civil action.

To initiate the first level of benefit review, the Covered Person must submit in writing an appeal or a request for review of the Adverse Benefit Determination to the Plan within one hundred eighty (180) days after the Adverse Benefit Determination. The Covered Person should include any additional information supporting the appeal or the information required by the Plan which was not initially provided and forward it to the Plan Supervisor within the 180-day time period. Failure to appeal the Adverse Benefit Determination within the 180-day time period will render the determination final. Any appeal received after the 180-day time period has expired will receive no further consideration.

Appeals or requests for review of Adverse Benefit Determinations must be submitted to the Plan in writing to P.O. Box 1269, Missoula, MT 59806-1269. Supporting materials may be submitted via mail, electronic claims submission process, facsimile (fax) or electronic mail (e-mail).

1. First Level of Benefit Determination Review

The first level of benefit determination review is done by the Plan Supervisor. The Plan Supervisor will research the information initially received and determine if the initial determination was appropriate based on the terms and conditions of the Plan and other relevant information. Notice of the decision on the first level of review will be sent to the Covered Person within thirty (30) days following the date the Plan Supervisor receives the request for reconsideration.

If, based on the Plan Supervisor's review, the initial Adverse Benefit Determination remains the same and the Covered Person does not agree with that benefit determination, the Covered Person must initiate the second level of benefit review. The Covered Person must request the second review in writing and send it to the Plan Supervisor, not later than sixty (60) days after receipt of the Plan Supervisor's decision from the first level of review. Failure to initiate the second level of benefit review within the 60-day time period will render the determination final.

2. Second Level of Benefit Determination Review

The Plan Administrator will review the claim in question along with the additional information submitted by the Covered Person. The Plan will conduct a full and fair review of the claim by the Plan Administrator who is neither the original decisionmaker nor the decisionmaker's subordinate. The Plan Administrator cannot give deference to the initial benefit determination. The Plan Administrator may, when appropriate or if required by law, consult with relevant health care professionals in making decisions about appeals that involve specialized medical judgment. Where the appeal involves issues of Medical Necessity or experimental treatment, the Plan Administrator will consult with a health care professional with appropriate training who was neither the medical professional consulted in the initial determination or his or her subordinate.

After a full and fair review of the Covered Person's appeal, the Plan will provide a written or electronic notice of the final benefit determination within a reasonable time, but no later than thirty (30) days from the date the appeal is received by the Plan at each level of review.

All claim payments are based upon the terms contained in the Plan Document, on file with the Plan Administrator and the Plan Supervisor. The Covered Person may request, free of charge, more detailed information, names of any medical professionals consulted and copies of relevant documents, as defined in and required by law, which were used by the Plan to adjudicate the claim.

INDEPENDENT EXTERNAL REVIEW FOR A POST-SERVICE CLAIM

After exhaustion of all appeal rights stated above, a Covered Person may also request a final independent external review of any Adverse Benefit Determination involving a question of Medical Necessity, or other issue requiring medical expertise for resolution.

To assert this right to independent external medical review, the Covered Person must request such review in writing within one hundred twenty (120) days after a decision is made upon the second level benefit determination above.

If an independent external review is requested for a Pre-Service Claim, CHP will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

If an independent external review is requested for a Post-Service Claim, the Plan Supervisor will forward the entire record on appeal, within ten (10) days, to an independent external review organization (IRO) selected randomly. The IRO will notify the Covered Person of its procedures to submit further information.

The IRO will issue a final decision within forty-five (45) days after receipt of all necessary information.

The decision of the IRO will be final and binding except that the Covered Person shall have an additional right to appeal the matter to a court with jurisdiction.

ELIGIBILITY PROVISIONS

If both spouses are employed by the County, and both are eligible for Dependent Coverage, either spouse, but not both, may elect Dependent Coverage for their eligible Dependents. No one can be covered under this Plan as both an Employee and a Dependent. No one can be covered under this Plan as a Dependent by more than one Participant.

EMPLOYEE ELIGIBILITY

An Employee becomes eligible under this Plan for each classification of Employee as follows:

1. Class I - Is classified as a full-time Employee and is employed by the County on a continuing and regular basis for an average of at least thirty (30) hours per week; or
2. Class II - Is classified as a regular part-time Employee and who is employed by the County on a continuing and regular basis for an average of at least twenty (20) hours per week.
3. Class III - Is employed by the County as a Seasonal Employee as defined by the applicable department's employment manual and PPACA who completes a Measurement Period of twelve (12) consecutive months, during which the Seasonal Employee averages thirty (30) hours per week of actual work and/or paid leave, FMLA leave or jury duty whether paid or not, for twelve (12) consecutive months.
4. Class IV - Is employed by the County as a Paid Intern as defined by the applicable department's employment manual and PPACA who completes a Measurement Period of twelve (12) consecutive months, during which the Paid Intern Employee averages thirty (30) hours per week of actual work and/or paid leave, FMLA leave or jury duty whether paid or not, for twelve (12) consecutive months.
5. Class V - Is employed by the County as a variable hour Employee and completes a Measurement Period of twelve (12) consecutive months, during which the variable hour Employee averages thirty (30) hours per week of actual work and/or paid leave, FMLA leave or jury duty, whether paid or not, for twelve (12) consecutive months.

"Measurement Period" is the period of time adopted by the Plan for Seasonal Employees, Paid Intern Employees or variable hour Employees during which such Employees' work hours and applicable leave are measured to determine whether such Employees are eligible for coverage.

An Employee is not eligible while on active military duty if that duty exceeds a period of thirty-one (31) consecutive days.

Note: As a requirement for enrollment and continued coverage under this Plan, all eligible Dependents of Participants will be required to provide their social security number to the Plan Administrator. This is necessary in order for the Plan Administrator to comply with any and all reporting requirements imposed under federal CMS (Medicare) and IRS guidelines.

WAITING PERIOD

With respect to an eligible Employee, coverage under the Plan will not start until the Employee completes a Waiting Period, which commences on the Enrollment Date (eligibility date) and will be either of the following:

1. Class I or Class II - If the Enrollment Date occurs on the first day of the month, the Waiting Period is waived;
2. Class I or Class II - If the Enrollment Date occurs on any day other than the first day of the month, the Waiting Period will end on the first day of the month following the Enrollment Date; or

3. Class III - For Seasonal Employees, the last day of the month following the end of the Measurement Period defined in "Employee Eligibility" subsection above. If elected, coverage under this section shall continue for a period of not more than twelve (12) months provided the Participant remains employed by the Employer regardless of the number of hours worked during that time period. This period of time is the Coverage Period.
4. Class IV - For Paid Intern Employees, the last day of the month following the end of the Measurement Period defined in "Employee Eligibility" subsection above. If elected, coverage under this section shall continue for a period of not more than twelve (12) months provided the Participant remains employed by the Employer regardless of the number of hours worked during that time period. This period of time is the Coverage Period.
5. Class V - For variable hour Employees, the last day of the month following fifty-nine (59) days from the end of the Measurement Period defined in "Employee Eligibility" subsection above. If elected, coverage under this section shall continue for a period of not more than twelve (12) months provided the Participant remains employed by the Employer regardless of the number of hours worked during that time period. This period of time is the Coverage Period.

DEPENDENT ELIGIBILITY

An eligible Dependent includes any person who is a citizen, resident alien, or is otherwise legally present in the United States or in any other jurisdiction that the related Participant has been assigned by the Employer, and who is either:

1. The Participant's legal spouse according to the marriage laws of the state where the marriage was first solemnized or established.

An eligible Dependent does not include a spouse who is legally separated or divorced from the Participant and has a court order or decree stating such from a court of competent jurisdiction.

2. The Participant's or Retiree's Dependent child who meets all of the following "Required Eligibility Conditions":
 - A. Is a natural child; step-child; legally adopted child; a child who has been Placed For Adoption with the Participant or Retiree and for whom as part of such placement the Participant or Retiree has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement; a person for whom the Participant or Retiree has been appointed the legal guardian by a court of competent jurisdiction prior to the person attaining nineteen (19) years of age; and
 - B. Is less than twenty-six (26) years of age. A Dependent child is eligible until the end of the Calendar Year in which twenty-six (26) years of age is attained. This requirement is waived if the Participant's or Retiree's child is mentally handicapped/challenged or physically handicapped/challenged, provided that the child was incapable of self-supporting employment and was chiefly dependent upon the Participant or Retiree for support and maintenance prior to end of the Calendar month in which he/she attained twenty-six (26) years of age. Proof of incapacity must be furnished to the Plan Administrator upon request, and additional proof may be required from time to time.

EXTENDED COVERAGE FOR DEPENDENTS

An Extended-Coverage Child as defined by Florida Statute 627.6562 who is twenty-six (26) years of age but less than thirty (30) years of age may continue to be an eligible Dependent if the Dependent child was covered under this Plan on the last day of the Calendar Year after the Dependent child attains twenty-six (26) years of age and meets all of the following criteria required by Florida Statute:

1. Unmarried without Dependents of their own; and
2. A Florida resident or a full or part-time student; and
3. Not provided coverage under any other health plan or policy; and
4. Not entitled to coverage under Medicare.

The eligible Employee must make an election to continue coverage for the Extended-Coverage Child, and file an Affidavit of Dependent Eligibility, within thirty-one (31) days following the date such child ceases to satisfy the eligibility requirements for eligible Dependent coverage under the Plan. Such Extended-Coverage Child may continue coverage until the last day of the Calendar Year in which the Extended-Coverage Child attains the age of thirty (30) years of age.

If an eligible Employee fails to make an election to continue coverage under this provision within the time frame or if coverage under this provision terminates, the child will be eligible to make an election to continue coverage in accordance with the COBRA Continuation Coverage section of this Plan.

The eligible Employee or Extended-Coverage Child is required to pay the entire amount of the cost of coverage for the Extended-Coverage Child under this provision in accordance with the same procedures established under the COBRA Continuation of Coverage section of this Plan.

PARTICIPANT ELIGIBILITY FOR DEPENDENT COVERAGE

Each Employee will become eligible for Dependent Coverage on the latest of:

1. The date the Employee becomes eligible for Participant coverage; or
2. The date on which the Employee first acquires a Dependent.

DECLINING COVERAGE

If an eligible person declines coverage under this Plan, he/she will state his/her reason(s) for declining, in writing. Failure to provide those reasons in writing may result in the Plan refusing enrollment at a later date.

RETIREE ELIGIBILITY

An Employee is eligible to continue coverage under this Plan as a Retiree if they are a Qualifying Retiree of Collier County Government. Eligible Dependents of a Qualifying Retiree may also continue coverage under this Plan. Qualifying Retirees must meet the requirements of Florida Statute 112.0801.

EFFECTIVE DATE OF COVERAGE

All coverage under the Plan will commence at 12:01 A.M. in the time zone in which the Covered Person permanently resides, on the date such coverage becomes effective.

PARTICIPANT COVERAGE

Participant coverage under the Plan will become effective on the first day immediately after the Employee satisfies the applicable eligibility requirements and Waiting Period. If these requirements are met, the Employee must be offered coverage or an opportunity to waive coverage even if the offer is after the date coverage should become effective, regardless of the time that has elapsed, provided that the reason coverage was not offered before the end of the Waiting Period was as a result of an administrative error on the part of the Employer, Plan Administrator or Plan Supervisor.

An eligible Employee who declines Participant coverage under the Plan during the Initial Enrollment Period will be able to become covered later in only two situations, Open Enrollment and Special Enrollment.

If an eligible Employee chooses not to enroll or fails to enroll for coverage under the Plan during the Initial Enrollment Period, coverage for the Employee and Dependents will be deemed waived.

If a Participant chooses not to re-enroll or fails to re-enroll during any Open Enrollment Period, coverage for the Participant and any Dependents covered at the time will remain the same as that elected prior to the Open Enrollment Period.

A Seasonal Employee, Paid Intern or variable hour Employee will remain covered for a period of time not to exceed twelve (12) months from the effective date of coverage (the Coverage Period) regardless of the number of hours worked and applicable leave, as long as the individual remains employed by the County. At the end of the Coverage Period, if the individual remains employed as a Seasonal or Paid Intern and averages at least thirty (30) hours per week during the Coverage Period, the individual will remain covered for a period of time not to exceed an additional twelve (12) months.

“Coverage Period” is the maximum period of time Seasonal Employees, Paid Intern Employees or variable hour Employees can be covered under the Plan as active Employees after completion of a Measurement Period as defined in the “Eligibility Provisions under the “Employee Eligibility” subsection.

DEPENDENT COVERAGE

Each Participant who requests Dependent Coverage on the Plan’s enrollment form will become covered for Dependent Coverage as follows:

1. On the Participant’s effective date of coverage, if application for Dependent Coverage is made on the same enrollment form used by the Participant to enroll for coverage. This subsection applies only to Dependents who are eligible on the Participant’s effective date of coverage.
2. In the event a Dependent is acquired after the Participant’s effective date of coverage as a result of a legal guardianship or in the event that a Participant is required to provide coverage as a result of a valid court order, or if the Dependent is acquired as a result of operation of law, Dependent Coverage will begin on the first day of the month following the Plan’s receipt of an enrollment form and copy of said court order, if applicable.

AUTOMATIC NEWBORN COVERAGE

A child born to a covered Employee or covered Dependent spouse is automatically covered for a period of thirty (30) days whether the child is enrolled or not from the moment of birth.

The child must be enrolled in accordance with the terms of the applicable Special Enrollment provisions of this Plan for coverage to continue beyond thirty (30) days.

RETIREE COVERAGE

Coverage for a Qualifying Retiree and eligible Dependents will become effective on the first day of the month following the date of retirement, provided that application for coverage is made on the Plan's enrollment form with thirty-one (31) days from the last day of the month following the date of retirement.

OPEN ENROLLMENT PERIOD

The Open Enrollment Period will begin November 1st and will end as determined by the Plan Administrator. During any Open Enrollment Period an Employee and the Employee's eligible Dependents, who are not covered under this Plan, may request Participant or Dependent coverage. Coverage must be requested on the Plan's enrollment form. Also during any Open Enrollment Period, Participants and their covered Dependents will be able to make a change in coverage under this Plan.

Coverage or changes requested during any Open Enrollment Period will begin on January 1st immediately following the Open Enrollment Period and will remain in effect until the next January 1st, except as otherwise allowed during a Special Enrollment Period.

SPECIAL ENROLLMENT PERIOD

In addition to other enrollment times allowed by this Plan, certain persons may enroll during the Special Enrollment Periods described below.

"Special Enrollment Period" means a period of time allowed under this Plan, other than the eligible person's Initial Enrollment Period or an Open Enrollment Period, during which an eligible person can request coverage under this Plan as a result of certain events that create special enrollment rights.

Coverage will become effective on the date of the event if the Employee or Retiree makes a special enrollment request, verbally or in writing, within thirty-one (31) days of any special enrollment event and application for such coverage is made on the Plan's enrollment form within sixty (60) days of the event.

Any eligible Employee or Retiree and any of their eligible Dependents may enroll and become covered as a result of the following specific events:

1. Marriage to the Employee or Retiree;
2. Birth of the Employee's or Retiree's child;
3. Adoption of a child by the Employee or Retiree, provided the child is under the age of 19;
4. Placement for Adoption with the Employee or Retiree, provided such Employee or Retiree has a legal obligation for the partial or full support of such child, including providing coverage under the Plan pursuant to a written agreement and the child is under the age of 19;
5. Coverage under Medicaid or any state children's insurance program recognized under the Children's Health Insurance Program Reauthorization Act of 2009 is terminated due to loss of eligibility;

6. The date any eligible Employee or Retiree or any of their eligible Dependents becomes entitled to a Premium Assistance Subsidy authorized under the Children's Health Insurance Program Reauthorization Act of 2009. The date of entitlement shall be the date stated in the Premium Assistance Authorization entitlement notice issued by the applicable state agency (CHIP or Medicaid). A request for enrollment, either verbal or in writing, must be made within sixty (60) days after this special enrollment event, and written application for such coverage must be made in writing within ninety (90) days after such event.
7. Coverage under another health care plan or health insurance is terminated due to loss of eligibility or if employer contributions to the other coverage have been terminated (Loss of Coverage)

Loss of Coverage means only one of the following:

- A. COBRA Continuation Coverage under another plan and the maximum period of COBRA Continuation Coverage under that other plan has been exhausted; or
- B. Group or insurance health coverage that has been terminated as a result of termination of Employer contributions* towards that other coverage; or
- C. Group or insurance health coverage (includes other coverage that is Medicare) that has been terminated only as a result of a loss of eligibility for coverage for any of the following:
 - 1) Legal separation or divorce of the eligible Employee or Retiree;
 - 2) Cessation of Dependent status;
 - 3) Death of the eligible Employee or Retiree;
 - 4) Termination of employment of the eligible Dependent;
 - 5) Reduction in the number of hours of employment of the eligible Dependent;
 - 6) Termination of the eligible Dependent's employer's plan;
 - 7) Any loss of eligibility after a period that is measured by reference to any of the foregoing; or
 - 8) Any loss of eligibility for individual or group coverage because the eligible Employee, Retiree or Dependent no longer resides, lives or works in the service area of the Health Maintenance Organization (HMO) or other such plan.

*Employer contributions include contributions by any current or former employer that was contributing to the other non-COBRA coverage.

A loss of eligibility for coverage does not occur if coverage was terminated due to a failure of the Employee, Retiree or Dependent to pay premiums on a timely basis or coverage was terminated for cause.

CHANGE IN STATUS

If a Covered Dependent under this Plan becomes an eligible Employee of the County, he/she may continue his/her coverage as a Dependent or elect to be covered as a Participant.

If an eligible Employee who is covered as a Participant of this Plan ceases to be an Employee of the County, but is eligible to be covered as a Dependent under another Employee/Participant, he/she may elect to continue his/her coverage as a Dependent of such Employee/Participant.

Application for coverage due to a Change in Status must be made on the Plan's enrollment form, within thirty-one (31) days immediately following the date the Employee becomes or ceases to be an eligible Employee. A Change in Status will not be deemed to be a break or termination of coverage and will not operate to reduce or increase any coverage or accumulations toward satisfaction of the deductible and Out-of-Pocket Maximum to which the Covered Person was entitled prior to the Change in Status.

QUALIFIED MEDICAL CHILD SUPPORT ORDER PROVISION

PURPOSE

Although the Collier County Government Employee Benefit Plan is not a Plan covered under ERISA, the Plan Administrator adopts the following procedures, pursuant to Section 609(a) of ERISA, to determine whether Medical Child Support Orders are qualified in accordance with ERISA's requirements, to administer payments and other provisions under Qualified Medical Child Support Orders (QMCSOs), and to enforce these procedures as legally required. The County adopts ERISA standards to comply with child support enforcement obligation of Part D of Title IV of the Social Security Act of 1975 as amended.

DEFINITIONS

For QMCSO requirements, the following definitions apply:

1. "Alternate Recipient" means any child of a Participant who is recognized under a Medical Child Support Order as having a right to enroll in this Plan with respect to the Participant.
2. "Medical Child Support Order" means any state or court judgment, decree or order (including approval of settlement agreement) issued by a court of competent jurisdiction, or issued through an administrative process established under State law and which has the same force and effect of law under applicable State law and:
 - A. Provides for child support for a child of a Participant under this Plan; or
 - B. Provides for health coverage for such a child under state domestic relations laws (including community property laws) and relates to benefits under this Plan; and
 - C. Is made pursuant to a law relating to medical child support described in Section 1908 of the Social Security Act.
3. "Plan" means this self-funded Employee Health Benefit Plan, including all supplements and amendments in effect.
4. "Qualified Medical Child Support Order" means a Medical Child Support Order which creates (including assignment of rights) or recognizes an Alternate Recipient's right to receive benefits to which a Participant or Qualified Beneficiary is eligible under this Plan, and has been determined by the Plan Administrator to meet the qualification requirements as outlined under "Procedures" of this provision.

CRITERIA FOR A QUALIFIED MEDICAL CHILD SUPPORT ORDER

To be qualified, a Medical Child Support Order must clearly:

1. Specify the name and the last known mailing address (if any) of the Participant and the name and mailing address of each Alternate Recipient covered by the order, except that, to the extent provided in the order, the name and mailing address of an official of a State or a political subdivision thereof may be substituted for the mailing address of any such Alternate Recipient; and
2. Include a reasonable description of the type of coverage to be provided by the Plan to each Alternate Recipient, or the manner in which such type of coverage is to be determined; and
3. Specify each period to which such order applies.

In order to be qualified, a Medical Child Support Order must not require the Plan to provide any type or form of benefits, or any option, not otherwise provided under the Plan except to the extent necessary to meet the requirements of Section 1908 of the Social Security Act (relating to enforcement of state laws regarding child support and reimbursement of Medicaid).

PROCEDURES FOR NOTIFICATIONS AND DETERMINATIONS

In the case of any Medical Child Support Order received by this Plan:

1. The Plan Administrator will promptly notify the Participant and each Alternate Recipient of the receipt of such order and the Plan's procedures for determining whether Medical Child Support Orders are qualified orders; and
2. Within a reasonable period after receipt of such order, the Plan Administrator will determine whether such order is a Qualified Medical Child Support Order and notify the Participant and each Alternate Recipient of such determination.

NATIONAL MEDICAL SUPPORT NOTICE

If the Plan Administrator of a group health plan which is maintained by the employer of a non-custodial parent of a child, or to which such an employer contributes, receives an appropriately completed National Medical Support Notice as described in Section 401(b) of the Child Support Performance and Incentive Act of 1998 in the case of such child, and the Notice meets the criteria shown above for a qualified order, the Notice will be deemed to be a Qualified Medical Child Support Order in the case of such child.

FAMILY AND MEDICAL LEAVE ACT OF 1993

The Family and Medical Leave Act (FMLA) requires Employers who are subject to FMLA to allow their “eligible” Employees to take unpaid, job-protected leave. The Employer may also require or allow the Employee to substitute appropriate paid leave including, but not limited to, vacation and sick leave, if the Employee has earned or accrued it. The maximum leave required by FMLA is twelve (12) workweeks in any twelve (12) month period for certain family and medical reasons and a maximum combined total of twenty-six (26) workweeks during any twelve (12) month period for certain family and medical reasons and for a serious Injury or Illness of a member of the Armed Forces to allow the Employee, who is the spouse, son, daughter, parent, or next of kin to the member of the Armed Forces, to care for that member of the Armed Forces. In certain cases, this leave may be taken on an intermittent basis rather than all at once, or the Employee may work a part-time schedule.

DEFINITIONS

For these Family and Medical Leave Act of 1993 provisions only, the following definitions apply:

1. “Member of the Armed Forces” includes members of the National Guard or Reserves who are undergoing medical treatment, recuperation or therapy.
2. “Next of Kin” means the nearest blood relative to the service member.
3. “Parent” means Employee’s biological parent or someone who has acted as Employee’s parent in place of Employee’s biological parent when Employee was a son or daughter.
4. “Serious health condition” means an Illness, Injury impairment, or physical or mental condition that involves:
 - A. Inpatient care in a hospital, hospice, or residential medical facility; or
 - B. Continuing treatment by a health care provider (a doctor of medicine or osteopathy who is authorized to practice medicine or surgery as appropriate, by the state in which the doctor practices or any other person determined by the Secretary of Labor to be capable of providing health care services).
5. “Serious Injury or Illness” means an Injury or Illness incurred in the line of duty that may render the member of the Armed Forces medically unfit to perform his or her military duties.
6. “Son or daughter” means Employee’s biological child, adopted child, stepchild, legal foster child, a child placed in Employee’s legal custody, or a child for which Employee is acting as the parent in place of the child’s natural blood related parent. The child must be:
 - A. Under the age of eighteen (18); or
 - B. Over the age of eighteen (18), but incapable of self-care because of a mental or physical disability.
7. “Spouse” means a husband or wife as defined or recognized under state law for purposes of marriage in the state where the employee resides, including “common law” marriage and same-sex marriage.

EMPLOYERS SUBJECT TO FMLA

In general, FMLA applies to any employer engaged in interstate commerce or in any industry or activity affecting interstate commerce who employs 50 or more Employees for each working day during each of 20 or more calendar work weeks in the current or preceding Calendar Year. FMLA also applies to those persons described in Section 3(d) of the Fair Labor Standards Act, 29 U.S.C. 203(d). The FMLA applies to government entities, including branches of the United States government, state governments and political subdivisions thereof.

ELIGIBLE EMPLOYEES

Generally, an Employee is eligible for FMLA leave only if the Employee satisfies all of the following requirements as of the date on which any requested FMLA leave is to commence: (1) has been employed by the Employer for a total of at least twelve months (whether consecutive or not); (2) the Employee has worked (as defined under the Fair Labor Standards Act) at least 1,250 hours during the twelve-(12) month period immediately preceding the date the requested leave is to commence; (3) the Employee is employed in any state of the United States, the District of Columbia or any Territories or possession of the United States; and (4) at the time the leave is requested, the Employee is employed at a work site where 50 or more Employees are employed by the Employer within 75 surface miles of the work site.

REASONS FOR TAKING LEAVE

FMLA leave must be granted (1) to care for the Employee's newborn child; (2) to care for a child Placed For Adoption or foster care with the Employee; (3) to care for the Employee's spouse, son, daughter, or parent, who has a serious health condition; (4) because the Employee's own serious health condition prevents the Employee from performing his or her job; or (5) because of a qualifying exigency, as determined by the Secretary of Labor, arising out of the fact that a spouse, son, daughter or parent of the Employee is on active duty or has been called to active duty in the Armed Forces in support of a contingency operation (e.g., a war or national emergency declared by the President or Congress).

ADVANCE NOTICE AND MEDICAL CERTIFICATION

Ordinarily, an Employee must provide thirty (30) days advance notice when the requested leave is "foreseeable." If the leave is not foreseeable, the Employee must notify the Employer as soon as is practicable, generally within one to two working days. An employer may require medical certification to substantiate a request for leave requested due to a serious health condition. If the leave is due to the Employee's serious health condition, the Employer may require second or third opinions, at the Employer's expense, and a certification of fitness to return to work prior to allowing the Employee to return to work.

PROTECTION OF JOB BENEFITS

For the duration of FMLA leave, the Employer must maintain the Employee's health coverage under any "group health plan" on the same conditions as coverage would have been provided if the Employee had been in Active Service during FMLA leave period. Taking FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an Employee's leave, unless the loss would have occurred even if the Employee had been in Active Service.

UNLAWFUL ACTS BY EMPLOYERS

Employers cannot interfere with, restrain or deny the exercise of any right provided under the FMLA or to manipulate circumstances to avoid responsibilities under the FMLA. Employers may not discharge, or discriminate against any person who opposes any practice made unlawful by the FMLA or who may be involved in a proceeding under or relating to the FMLA.

ENFORCEMENT

The U.S. Department of Labor is authorized to investigate and resolve complaints of FMLA violations. An eligible Employee may also bring a civil action against an employer for FMLA violations. The FMLA does not supersede any federal or state law prohibiting discrimination, and does not supersede any state or local law or collective bargaining agreement which provides greater family or medical leave rights. For additional information, contact the nearest office of Wage and Hour Division, listed in most telephone directories under U.S. Government, Department of Labor.

TERMINATION OF COVERAGE

PARTICIPANT TERMINATION

Participant coverage will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Participant's employment terminates; or
2. On the last day of the month in which the Participant ceases to be eligible for coverage; or
3. The date the Participant fails to make any required contribution for coverage; or
4. The date the Plan is terminated; or
5. The date the County terminates the Participant's coverage; or
6. The date the Participant dies; or
7. The date the Participant enters the armed forces of any country as a full-time member, if active duty is to exceed thirty-one (31) days; or
8. On the last day of the month in which the Plan receives the Plan's Health Coverage Waiver Form for the Participant; or
9. For a Seasonal Employee, Paid Intern or variable hour Employee on the last day of the Coverage Period, unless at the expiration of the Coverage Period, the Participant is otherwise eligible as the result of a subsequent Measurement Period or as a result of being reclassified as a full-time Employee.

A Participant whose Active Service ceases because of Illness or Injury or as a result of any other approved leave of absence may remain covered as an Employee in Active Service for a period of twelve (12) weeks, or such other length of time that is consistent with and stated in the County's current Employee Personnel Policy Manual or pursuant to the Family and Medical Leave Act. Coverage under this provision will be subject to all the provisions of FMLA if the leave is classified as FMLA leave.

If a Participant's coverage is to be continued during disability, approved leave of absence or temporary lay off, the amount of his or her coverage will be the same as the Plan benefits in force for an active Employee, subject to the Plan's right to amend coverage and benefits.

RETIREE TERMINATION

Coverage for a Retiree and eligible Dependents may continue until the earliest of the following dates:

1. The date the Retiree fails to make any required contribution for coverage; or
2. The date the Plan is terminated; or
3. The date the County terminates the Retiree's coverage; or
4. The date the Retiree dies; or
5. The date the Retiree enters the armed forces of any country as a full-time member, if active duty is to exceed thirty-one (31) days.

If a Retiree becomes deceased or terminates coverage under this Plan once the Retiree is eligible for Medicare, the spouse and eligible Dependent children who are covered at the time of the Retiree's death or termination of coverage may remain covered under the Plan until the earlier of the following:

1. The date the spouse becomes eligible for Medicare or eligible for any other individual or group health insurance or coverage; or
2. The date the Dependent child ceases to be eligible under this Plan or becomes eligible for any other individual or group health insurance or coverage.

DEPENDENT TERMINATION

Each Covered Person, whether Participant or Dependent, is responsible for notifying the Plan Administrator, within sixty (60) days after loss of Dependent status due to death, divorce, legal separation or ceasing to be an eligible Dependent child. Failure to provide this notice may result in loss of eligibility for COBRA Continuation Coverage After Termination.

Coverage for a Dependent will automatically terminate immediately upon the earliest of the following dates, except as provided in any Continuation of Coverage Provision:

1. On the last day of the month in which the Dependent ceases to be an eligible Dependent as defined in the Plan; or
2. On the last day of the month in which the Participant's coverage terminates under the Plan; or
3. On the last day of the month in which the Participant ceases to be eligible for Dependent Coverage; or
4. The date the Participant fails to make any required contribution for Dependent Coverage; or
5. The date the Plan is terminated; or
6. The date the County terminates the Dependent's coverage; or
7. On the last day of the month in which the Participant dies; or
8. On the last day of the month in which the Plan receives the Plan's Health Coverage Waiver Form for the Dependent whose coverage is to be terminated.

REINSTATEMENT OF COVERAGE

An Employee whose coverage terminates by reason of termination of employment or reduction in hours and who again becomes eligible for coverage under the Plan within a thirteen (13) week period immediately following the date of such termination of employment or reduction in hours will become eligible for reinstatement of coverage on the date of renewed eligibility. Coverage will be reinstated for the Employee and eligible Dependents on the date of renewed eligibility, if covered on the date of termination, provided that application for such coverage is made on the Plan's enrollment form within thirty (30) days after the date of renewed eligibility. Reinstatement of Coverage is subject to the following:

1. Credit will be given for prior amounts applied toward the Deductible and Out-of-Pocket Maximum for the same Benefit Period during which renewed eligibility occurs.
2. All prior accumulations toward annual or lifetime benefit maximums will apply.

If renewed eligibility occurs under any circumstances other than as stated in this subsection, enrollment for coverage for the Employee and his/her Dependents will be treated as if initially hired for purposes of eligibility and coverage under this Plan.

The Reinstatement of Coverage provision is not applicable to a variable hour Employee except for any period of time that the variable hour Employee is actually enrolled and covered during the Coverage Period.

VOLUNTARY SEPARATION INCENTIVE PROGRAM

Medical coverage provided by the County will be extended for those Employees eligible for the Voluntary Separation Incentive Program (VSIP). The Voluntary Separation Incentive Program (VSIP) will be extended to any regular full-time Employee who meets the eligibility criteria set forth by the action of the Board of County Commissioners. Under this Plan, if an eligible Employee chooses to take part in the program, the County will continue to pay the full premium costs for that Employee's medical benefits for a period of three (3) years, or will provide a financial incentive in lieu of benefits if the Employee so chooses.

1. Eligible Employees may elect to continue coverage at their current participation level (single or family).
2. Employees will not pay any premiums - the County will pay the premium costs for up to three (3) years.
3. Eligible Employees may select a blended option of medical and dental coverage, together with a partial cash payment.

Eligible Employees will have a period of sixty (60) days to enroll. The Plan enrollment period begins and ends as determined by the Employer. Employees who meet the Florida Retirement System (FRS) eligibility criteria outlined above between the dates specified by the Employer may also participate in this program. To participate, those who fall into this category will be required to enroll during the sixty (60) day window, but would not be considered to be enrolled into the Plan until the date they become eligible under Florida Retirement System (FRS) guidelines. Employees have a period of seven (7) calendar days during which time to change or revoke their participation. After that time period, their election is considered final.

RESCISSION OF COVERAGE

Coverage for an Employee and/or Dependent may be rescinded if the Plan Administrator determines that the Employee or a Dependent engaged in fraud or intentional misrepresentation in order to obtain coverage and/or benefits under the Plan. In such case, the Participant will receive written notice at least thirty (30) days before the coverage is rescinded.

CONTINUATION COVERAGE AFTER TERMINATION

Under the Public Health Service Act, as amended, Employees and their enrolled Dependents may have the right to continue coverage beyond the time coverage would ordinarily have ended. The law applies to employers who normally employ twenty (20) or more employees.

The Plan Administrator is Collier County Government; 3311 East Tamiami Trail, Building D, Naples, FL 34112; (239) 252-8461. COBRA Continuation Coverage for the Plan is administered by Allegiance COBRA Services, Inc.; P.O. Box 2097; Missoula, MT 59806, (406) 721-2222; facsimile (406) 523-3131; email COBRAInquire@askallegiance.com.

COBRA Continuation Coverage is available to any Qualified Beneficiary whose coverage would otherwise terminate due to any Qualifying Event. COBRA Continuation Coverage under this provision will begin on the first day following the date of the Qualifying Event.

1. Qualifying Events for Participants, for purposes of this section, are the following events, if such event results in a loss of coverage under this Plan:
 - A. The termination (other than by reason of gross misconduct) of the Participant's employment.
 - B. The reduction in hours of the Participant's employment.
2. Qualifying Events for covered Dependents, for purposes of this section are the following events, if such event results in a loss of coverage under this Plan:
 - A. Death of the Participant or Retiree.
 - B. Termination of the Participant's employment.
 - C. Reduction in hours of the Participant's employment.
 - D. The divorce or legal separation of the Participant or Retiree from his or her spouse.
 - E. A covered Dependent child ceases to be a Dependent as defined by the Plan.

NOTIFICATION RESPONSIBILITIES

The Covered Person must notify the Employer of the following Qualifying Events within sixty (60) days after the date the event occurs. The Employer must notify the Plan Administrator of any of the following:

1. Death of the Participant or Retiree.
2. The divorce or legal separation of the Participant or Retiree from his or her spouse.
3. A covered Dependent child ceases to be a Dependent as defined by the Plan.

The Employer must notify the Plan Administrator of the following Qualifying Events within thirty (30) days after the date of the event occurs:

1. Termination (other than by reason of gross misconduct) of the Participant's employment.
2. Reduction in hours of the Participant's employment.

ELECTION OF COVERAGE

When the Plan Administrator is notified of a Qualifying Event, the Plan Administrator will notify the Qualified Beneficiary of the right to elect continuation of coverage. Notice of the right to COBRA Continuation Coverage will be sent by the Plan no later than fourteen (14) days after the Plan Administrator is notified of the Qualifying Event.

A Qualified Beneficiary has sixty (60) days from the date coverage would otherwise be lost or sixty (60) days from the date of notification from the Plan Administrator, whichever is later, to notify the Plan Administrator that he or she elects to continue coverage under the Plan. Failure to elect continuation within that period will cause coverage to end.

MONTHLY PREMIUM PAYMENTS

A Qualified Beneficiary is responsible for the full cost of continuation coverage. Monthly premium for continuation of coverage must be paid in advance to the Plan Administrator. The premium required under the provisions of COBRA is as follows:

1. For a Qualified Beneficiary: The premium is the same as applicable to any other similarly situated non-COBRA Participant plus an additional administrative expense of up to a maximum of two percent (2%).
2. Social Security Disability: For a Qualified Beneficiary continuing coverage beyond eighteen (18) months due to a documented finding of disability by the Social Security Administration within 60 days after becoming covered under COBRA, the premium may be up to a maximum of 150% of the premium applicable to any other similarly situated non-COBRA Participant.
3. For a Qualified Beneficiary with a qualifying Social Security Disability who experiences a second Qualifying Event:
 - A. If another Qualifying Event occurs during the initial eighteen (18) months of COBRA coverage, such as a death, divorce or legal separation, the monthly fee for qualified disabled person may be up to a maximum of one hundred and two percent (102%) of the applicable premium.
 - B. If the second Qualifying Event occurs during the nineteenth (19th) through the twenty-ninth (29th) month (the Disability Extension Period), the premium for a Qualified Beneficiary may be up to a maximum of one hundred fifty percent (150%) of the applicable premium.

Payment of claims while covered under this COBRA Continuation Coverage Provision will be contingent upon the receipt by the Employer of the applicable monthly premium for such coverage. The monthly premium for continuation coverage under this provision is due the first of the month for each month of coverage. A grace period of thirty (30) days from the first of the month will be allowed for payment. Payment will be made in a manner prescribed by the Employer.

DISABILITY EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If the Qualified Beneficiary who is covered under the Plan is determined by the Social Security Administration to be disabled at any time before the qualifying event or within sixty (60) days after the qualifying event, and the Plan Administrator is notified in a timely fashion, the Qualified Beneficiary covered under the Plan can receive up to an additional 11 months of COBRA Continuation Coverage, for a total maximum of 29 months. The Plan Administrator must be provided with a copy of the Social Security Administration's disability determination letter within sixty (60) days after the date of the determination and before the end of the original 18-month period of COBRA Continuation Coverage. This notice should be sent to: Allegiance COBRA Services, Inc.; P.O. Box 2097; Missoula, MT 59806; facsimile (406) 523-3131; email COBRAInquire@askallegiance.com.

SECOND QUALIFYING EVENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

If another qualifying event occurs while receiving COBRA Continuation Coverage, the spouse and Dependent children of the Employee can get additional months of COBRA Continuation Coverage, up to a maximum of thirty-six (36) months. This extension is available to the spouse and Dependent children if the former Employee dies or becomes divorced or legally separated. The extension is also available to a Dependent child when that child stops being eligible under the Plan as a Dependent child. **In all of these cases, the Plan Administrator must be notified of the second qualifying event within sixty (60) days of the second qualifying event. This notice must be sent to: Allegiance COBRA Services, Inc.; P.O. Box 2097; Missoula, MT 59806; facsimile (406) 523-3131; email COBRAInquire@askallegiance.com. Failure to provide notice within the time required will result in loss of eligibility for COBRA Continuation Coverage.**

MEDICARE ENROLLMENT EXTENSION OF 18-MONTH PERIOD OF CONTINUATION COVERAGE

The Dependents of a former Employee are eligible to elect COBRA Continuation Coverage if they lose coverage as a result of the former Employee's enrollment in Part A, Part B or Part D of Medicare, whichever occurs earlier.

When the former Employee enrolls in Medicare before the Qualifying Event of termination, or reduction in hours, of employment occurs, the maximum period for COBRA Continuation Coverage for the spouse and Dependent children ends on the later of:

1. Eighteen (18) months after the Qualifying Event of termination of employment or reduction in hours of employment; or
2. Thirty-six (36) months after the former Employee's enrollment in Medicare.

When the former Employee enrolls in Medicare after the Qualifying Event of termination, or reduction in hours, of employment, the maximum period for COBRA Continuation Coverage for the spouse and Dependent children ends eighteen (18) months after the Qualifying Event, unless a second Qualifying Event, as described above occurs within that eighteen (18) month period.

WHEN COBRA CONTINUATION COVERAGE ENDS

COBRA Continuation Coverage and any coverage under the Plan that has been elected with respect to any Qualified Beneficiary will cease on the earliest of the following:

1. On the date the Qualified Beneficiary becomes covered under another group health plan or health insurance.
2. On the date, after the date of election for COBRA Continuation Coverage, that the Qualified Beneficiary becomes enrolled in Medicare (either Part A, Part B or Part D).
3. On the first date that timely payment of any premium required under the Plan with respect to COBRA Continuation Coverage for a Qualified Beneficiary is not made to the Plan Administrator.
4. On the date the Employer ceases to provide any group health plan coverage to any Employee.
5. On the date of receipt of written notice that the Qualified Beneficiary wishes to terminate COBRA Continuation Coverage.
6. On the date that the maximum coverage period for COBRA Continuation Coverage ends, as follows:
 - A. Eighteen (18) months for a former Employee who is a Qualified Beneficiary as a result of termination, or reduction in hours, of employment;

- B. Eighteen (18) months for a Dependent who is a Qualified Beneficiary unless a second Qualifying Event occurs within that eighteen month period entitling that Dependent to an additional eighteen (18) months;
 - C. For the Dependent who is a Qualified Beneficiary as a result of termination, or reduction in hours, of employment of the former Employee if that former Employee enrolled in Medicare before termination, or reduction in hours, of employment, the later of eighteen (18) months from the Qualifying Event, or thirty-six (36) months following the date of enrollment in Medicare.
 - D. On the first day of the month beginning thirty (30) days after a Qualified Beneficiary is determined to be no longer disabled by the Social Security Administration if the Qualified Beneficiary was found to be disabled on or within the first sixty (60) days of the date of the Qualifying Event and has received at least eighteen (18) months of COBRA Continuation Coverage. COBRA Continuation Coverage will also terminate on such date for all Dependents who are Qualified Beneficiaries as a result of the Qualifying Event unless that Dependent is entitled to a longer period of COBRA Continuation Coverage without regard to disability.
 - E. Twenty-nine (29) months for any Qualified Beneficiary if a Disability Extension Period of COBRA Continuation Coverage has been granted for such Qualified Beneficiary.
 - F. Thirty-six (36) months for all other Qualified Beneficiaries.
7. On the same basis that the Plan can terminate for cause the coverage of a similarly situated non-COBRA Participant.

COVERAGE FOR A MILITARY RESERVIST

To the extent required by the Uniform Services Employment and Reemployment Rights Act (USERRA), the following provisions will apply:

1. If a Participant is absent from employment with Employer by reason of service in the uniformed services, the Participant may elect to continue coverage under this Plan for himself or herself and his or her eligible Dependents as provided in this subsection. The maximum period of coverage under such an election will be the lesser of:
 - A. The twenty-four (24) month period beginning on the date on which the Participant's absence begins; or
 - B. The period beginning on the date on which the Participant's absence begins and ending on the day after the date on which the Participant fails to apply for or return to a position of employment, as required by USERRA.
2. A Participant who elects to continue Plan coverage under this Section may be required to pay not more than one hundred two percent (102%) of the full premium under the Plan (determined in the same manner as the applicable premium under Section 4980B(f)(4) of the Internal Revenue Code of 1986) associated with such coverage for the Employer's other Employees, except that in the case of a person who performs service in the uniformed services for less than thirty-one (31) days, such person may not be required to pay more than the regular Employee share, if any, for such coverage.
3. In the case of a Participant whose coverage under the Plan is terminated by reason of service in the uniformed services, an exclusion or Waiting Period may not be imposed in connection with the reinstatement of such coverage upon reemployment if an exclusion or Waiting Period would not have been imposed under the Plan had coverage of such person by the Plan not been terminated as a result of such service. This paragraph applies to the Employee who notifies the Employer of his or her intent to return to employment in a timely manner as defined by USERRA, and is reemployed and to any Dependent who is covered by the Plan by reason of the reinstatement of the coverage of such Employee. **This provision will not apply to the coverage of any illness or injury determined by the Secretary of Veterans Affairs to have been caused by or aggravated during, performance of service in the uniformed services.**
4. The requirements of this section shall not supersede any anti discrimination in coverage requirement promulgated by TriCare or Champus/VA related to eligibility for those coverages.

FRAUD AND ABUSE

THIS PLAN IS SUBJECT TO FEDERAL LAW WHICH PERMITS CRIMINAL PENALTIES FOR FRAUDULENT ACTS COMMITTED AGAINST THE PLAN. STATE LAW MAY ALSO APPLY.

Anyone who knowingly defrauds or tries to defraud the Plan, or obtains Plan funds through false statements or fraudulent schemes, may be subject to criminal prosecution and penalties. The following may be considered fraudulent:

1. Falsifying eligibility criteria for a Dependent;
2. Falsifying or withholding medical history or information required to calculate benefits;
3. Falsifying or altering documents to get coverage or benefits;
4. Permitting a person not otherwise eligible for coverage to use a Plan ID card to get Plan benefits; or
5. Submitting a fraudulent claim or making untruthful statements to the Plan to get reimbursement from the Plan for services that may or may not have been provided to a Covered Person.

The Plan Administrator, in its sole discretion, may take additional action against the Participant or Covered Person including, but not limited to, terminating the Participant or Covered Person's coverage under the Plan.

MISSTATEMENT OF AGE

If the Covered Person's age was misstated on an enrollment form or claim, the Covered Person's eligibility or amount of benefits, or both, will be adjusted to reflect the Covered Person's true age. If the Covered Person was not eligible for coverage under the Plan or for the amount of benefits received, the Plan has a right to recover any benefits paid by the Plan. A misstatement of age will not continue coverage that was otherwise properly terminated or terminate coverage that is otherwise validly in force.

MISREPRESENTATION OF ELIGIBILITY

If a Participant misrepresents a Dependent's marital status, age, student status, Dependent child relationship or other eligibility criteria to get coverage for that Dependent, when he or she would not otherwise be eligible, coverage for that Dependent will terminate as though never effective.

MISUSE OF IDENTIFICATION CARD

If a Covered Person permits any person who is not otherwise eligible as a Covered Person to use an ID card, the Plan Sponsor may, at the Plan Sponsor's sole discretion, terminate the Covered Person's coverage.

REIMBURSEMENT TO PLAN

Payment of benefits by the Plan for any person who was not otherwise eligible for coverage under this Plan but for whom benefits were paid based upon fraud as defined in this section must be reimbursed to the Plan by the Participant. Failure to reimburse the Plan upon request may result in an interruption or a loss of benefits by the Participant and Dependents.

RESCISSION OF COVERAGE

Coverage for an Employee and/or Dependent may be rescinded if the Plan Administrator determines that the Employee or a Dependent engaged in fraud or intentional misrepresentation in order to obtain coverage and/or benefits under the Plan. In such case, the Participant will receive written notice at least thirty (30) days before the coverage is rescinded.

RECOVERY/REIMBURSEMENT/SUBROGATION

By enrollment in this Plan, Covered Persons agree to the provisions of this section as a condition precedent to receiving benefits under this Plan. Failure of a Covered Person to comply with the requirements of this section may result in the Plan pending the payment of benefits.

RIGHT TO RECOVER BENEFITS PAID IN ERROR

If the Plan makes a payment in error to or on behalf of a Covered Person or an assignee of a Covered Person to which that Covered Person is not entitled, or if the Plan pays a claim that is not covered, the Plan has the right to recover the payment from the person paid or anyone else who benefitted from the payment. The Plan can deduct the amount paid from the Covered Person's future benefits, or from the benefits for any covered Family member even if the erroneous payment was not made on that Family member's behalf.

Payment of benefits by the Plan for Participants' spouses, ex-spouses, or children, who are not eligible for coverage under this Plan, but for whom benefits were paid based upon inaccurate, false information provided by, or information omitted by, the Employee will be reimbursed to the Plan by the Employee. The Employee's failure to reimburse the Plan after demand is made, may result in an interruption in or loss of benefits to the Employee, and could be reported to the appropriate governmental authorities for investigation of criminal fraud.

The Plan may recover such amount by any appropriate method that the Plan Administrator, in its sole discretion, will determine.

The provisions of this section apply to any Physician or Licensed Health Care Provider who receives an assignment of benefits or payment of benefits under this Plan. If a Physician or Licensed Health Care Provider fails to refund a payment of benefits, the Plan may refuse to recognize future assignments of benefits to that provider.

REIMBURSEMENT

The Plan's right to Reimbursement is separate from and in addition to the Plan's right of Subrogation. If the Plan pays benefits for medical expenses on a Covered Person's behalf, and another party was responsible or liable for payment of those medical expenses, the Plan has a right to be reimbursed by the Covered Person for the amounts the Plan paid.

Accordingly, if a Covered Person, or anyone on his or her behalf, settles, is reimbursed or recovers money from any person, corporation, entity, liability coverage, no-fault coverage, uninsured coverage, underinsured coverage, or other insurance policies or funds for any accident, Injury, condition or Illness for which benefits were provided by the Plan, the Covered Person agrees to hold the money received in trust for the benefit of the Plan. The Covered Person agrees to reimburse the Plan, in first priority, from any money recovered from a liable third party, for the amount of all money paid by the Plan to the Covered Person or on his or her behalf or that will be paid as a result of said accident, Injury, condition or Illness. Reimbursement to the Plan will be paid first, in its entirety, even if the Covered Person is not paid for all of his or her claim for damages and regardless of whether the settlement, judgment or payment he or she receives is for or specifically designates the recovery, or a portion thereof, as including health care, medical, disability or other expenses or damages.

SUBROGATION

The Plan's right to Subrogation is separate from and in addition to the Plan's right to Reimbursement. Subrogation is the right of the Plan to exercise the Covered Person's rights and remedies in order to recover from any third party who is liable to the Covered Person for a loss or benefits paid by the Plan. The Plan may proceed through litigation or settlement in the name of the Covered Person, with or without his or her consent, to recover benefits paid under the Plan.

The Covered Person agrees to subrogate to the Plan any and all claims, causes of action or rights that he or she has or that may arise against any entity who has or may have caused, contributed to or aggravated the accident, Injury, condition or Illness for which the Plan has paid benefits, and to subrogate any claims, causes of action or rights the Covered Person may have against any other coverage including, but not limited to, liability coverage, no-fault coverage, uninsured motorist coverage, underinsured motorist coverage, or other insurance policies, coverage or funds.

In the event that a Covered Person decides not to pursue a claim against any third party or insurer, the Covered Person will notify the Plan, and specifically authorize the Plan, in its sole discretion, to sue for, compromise or settle any such claims in the Covered Person's name, to cooperate fully with the Plan in the prosecution of the claims, and to execute any and all documents necessary to pursue those claims.

The Following Paragraphs Apply to Both Reimbursement and Subrogation:

1. Under the terms of this Plan, the Plan Supervisor is not required to pay any claim where there is evidence of liability of a third party unless the Covered Person signs the Plan's Third-Party Reimbursement Agreement and follows the requirements of this section. However, the Plan, in its discretion, may instruct the Plan Supervisor not to withhold payment of benefits while the liability of a party other than the Covered Person is being legally determined. If a repayment agreement is requested to be signed, the Plan's right of recovery through Reimbursement and/or Subrogation remains in effect regardless of whether the repayment agreement is actually signed.
2. If the Plan makes a payment which the Covered Person, or any other party on the Covered Person's behalf, is or may be entitled to recover against any liable third party, this Plan has a right of recovery, through reimbursement or subrogation or both, to the extent of its payment.
3. The Covered Person will cooperate fully with the Plan Administrator, its agents, attorneys and assigns, regarding the recovery of any benefits paid by the Plan from any liable third party. This cooperation includes, but is not limited to, make full and complete disclosure in a timely manner of all material facts regarding the accident, Injury, condition or Illness to the Plan Administrator; report all efforts by any person to recover any such monies; provide the Plan Administrator with any and all requested documents, reports and other information in a timely manner, regarding any demand, litigation or settlement involving the recovery of benefits paid by the Plan; and notify the Plan Administrator of the amount and source of funds received from third parties as compensation or damages for any event from which the Plan may have a reimbursement or subrogation claim.
4. Covered Persons will respond within ten (10) days to all inquiries of the Plan regarding the status of any claim they may have against any third parties or insurers including, but not limited to, liability, no-fault, uninsured and underinsured insurance coverage. The Covered Person will notify the Plan immediately of the name and address of any attorney whom the Covered Person engages to pursue any personal Injury claim on his or her behalf.
5. The Covered Person will not act, fail to act, or engage in any conduct directly, indirectly, personally or through third parties, either before or after payment by the Plan, the result of which may prejudice or interfere with the Plan's rights to recovery hereunder. The Covered Person will not conceal or attempt to conceal the fact that recovery has occurred or will occur.
6. The Plan will not pay or be responsible, without its written consent, for any fees or costs associated with a Covered Person pursuing a claim against any third party or coverage including, but not limited to, attorney fees or costs of litigation. Monies paid by the Plan will be repaid in full, in first priority, notwithstanding any anti-subrogation, "made whole," "common fund" or similar statute, regulation, prior court decision or common law theory unless a reduction or compromise settlement is agreed to in writing or required pursuant to a court order or as limited by Florida state law.

RIGHT OF OFF-SET

The Plan has a right of off-set to satisfy reimbursement claims against Covered Persons for money received by the Covered Person from a third party, including any insurer. If the Covered Person fails or refuses to reimburse the Plan for funds paid for claims, the Plan may deny payment of future claims of the Covered Person, up to the full amount paid by the Plan and subject to reimbursement for such claims. This right of off-set applies to all reimbursement claims owing to the Plan whether or not formal demand is made by the Plan, and notwithstanding any anti-subrogation, "common fund," "made whole" or similar statutes, regulations, prior court decisions or common law theories.

All Plan benefits are payable to a Participant, Qualified Beneficiary or Alternate Recipient, whichever is applicable. All or a portion of any benefits payable by the Plan may, at the Covered Person's option and unless the Covered Person requests otherwise in writing not later than the time of filing the claim, be paid directly to the health care provider rendering the service, if proper written assignment is provided to the Plan. No payments will be made to any provider of services unless the Covered Person is liable for such expenses.

If any benefits remain unpaid at the time of the Covered Person's death or if the Covered Person is a minor or is, in the opinion of the Plan, legally incapable of giving a valid receipt and discharge for any payment, the Plan may, at its option, pay such benefits to the Covered Person's legal representative or estate. The Plan, in its sole option, may require that an estate, guardianship or conservatorship be established by a court of competent jurisdiction prior to the payment of any benefit. Any payment made under this subsection will constitute a complete discharge of the Plan's obligation to the extent of such payment and the Plan will not be required to oversee the application of the money so paid.

LEGAL PROCEEDINGS

No action at law or equity will be brought to recover on the Plan prior to the expiration of sixty (60) days after proof of loss has been filed in accordance with the requirements of the Plan, nor will such action be brought at all unless brought within three (3) years from the expiration of the time within which proof of loss is required by the Plan.

Amounts so paid will be deemed to be benefits paid under this Plan and to the extent of such payments, the Plan will be fully discharged from liability under this Plan.

The benefits that are payable will be charged against any applicable maximum payment or benefit of this Plan rather than the amount payable in the absence of this provision.

PROTECTION AGAINST CREDITORS

No benefit payment under this Plan will be subject in any way to alienation, sale, transfer, pledge, attachment, garnishment, execution or encumbrance of any kind, and any attempt to accomplish the same will be void, except an assignment of payment to a provider of Covered Services. If the Plan Administrator finds that such an attempt has been made with respect to any payment due or which will become due to any Participant, the Plan Administrator, in its sole discretion, may terminate the interest of such Participant or former Participant in such payment. In such case, the Plan Administrator will apply the amount of such payment to or for the benefit of such Participant or covered Dependents or former Participant, as the Plan Administrator may determine. Any such application will be a complete discharge of all liability of the Plan with respect to such benefit payment.

PLAN IS NOT A CONTRACT

The Plan Document constitutes the primary authority for Plan administration.
