CENTER FOR HEALTH

NEW! Pharmacy Benefit Available

Why It Matters

Access to medications shouldn't depend on where you live or how busy your schedule is.

The Details

We are excited to announce a new partnership with **Thrifty White, a Midwest-based, employee-owned pharmacy**.

Starting in May, Thrifty White will operate the onsite pharmacy at the Kwik Trip Center for Health in La Crosse, WI. This partnership extends beyond just one location. Thrifty White has many community pharmacy locations (thriftywhite.com/locations) and mail order delivery, **making it easy to fill prescriptions close to home**.

You can use Thrifty White for:

- **Savings on Over-the-Counter Medications**
 - **What:** Shop Thrifty White's online store for low-cost over-the-counter medications and everyday essentials
 - **Who:** All Kwik Trip coworkers
 - **How:** Go to shop.thriftywhite.com
- **Medication Synchronization with KwikSync**
 - **What:** If you take multiple chronic medications, KwikSync aligns your refills so they're ready at the same time each month, reducing extra trips and helping you stay organized
 - **Who:** All Kwik Trip coworkers. Plus, dependents on a full-time health plan can also use it.
 - **How:** Fill out an enrollment form available on the Benefits Portal
- **Point of Care Testing for Strep, Flu, and COVID-19**
 - **What:** Get tested and treated in a single visit at any Thrifty White location with no appointment - and no cost!
 - **Who:** All Kwik Trip coworkers (just show your name badge!). Plus, dependents on a full-time health plan can also use it (just show their health plan ID Card).
 - **How:** Visit thriftywhite.com/locations to find a pharmacy near you

Fast, free
home delivery
for all your
medications!

At Thrifty White Pharmacy we're committed to providing personalized care that empowers each of our patients to achieve better health. To make things simple and stress-free, we offer free, convenient delivery of your medications, right to your door!

For even greater convenience, consider enrolling in our RxMedSync[®] service. This program synchronizes the refills of your maintenance medications, ensuring they are ready for pickup or delivery on the same schedule each month. It helps streamline your medication management and ensures your prescriptions are available when you need them.
