

Compare Prices and Locate Pharmacies using Navitus' Cost Compare Tool

Are you looking for ways to pay the lowest cost for your medications? Navitus can help.

With Cost Compare, you can:

Compare pharmacy prices in your area

Get real-time, accurate price estimates

Search based on your prescription history

Share a Clear View®

Many people are not aware that prescription medication prices often vary between pharmacies. Cost Compare gives you a convenient way to save on your prescriptions, allowing you to find lower prescription prices at nearby pharmacies. Cost Compare is available at no additional cost.

You can access Cost Compare from your Navi-Gate® for Members portal at Navitus.com or through your plan's website.

Please note: This portal is for active members only.
