Maximize pharmacy coverage and minimize costs.

Log in at www.askallegiance.com/hhsys and find the tool

There are two ways to get to the Prescription Drug Price Quote tool: Click on Estimate Health Care Costs in the banner at the top of the page or under the I want to… section at the bottom, click on Get a Drug Price Quote.

Under Prescription Drug Price Quote tool, choose a customer name from the drop-down and click GO.

Step 1: Find a drug

Search for a drug by name, drug class or condition, or choose a drug from the drop-down list.
Step 2: Select a dosage/quantity

Once you’ve selected a drug, then choose your dosage and form, and enter the quantity and frequency, that you take (such as how many tablets you take per day or week).

Step 3: Select a pharmacy

View a list of retail pharmacies near your home zip code or other selected location. An interactive map pinpoints each pharmacy. Choose up to three pharmacies, and click Compare Prices. Or, you can skip this step and get pricing just for Cigna Home Delivery Pharmacy.

Step 4: Compare prices

View an easy-to-read comparison of prices for the drug you selected, available generics and lower-cost alternatives at your selected pharmacies and Cigna Home Delivery Pharmacy. Print your options along with a checklist to discuss with your doctor.
